**WE SHOULD PUSH ADVANTAGE OF RAILROAD CONSTRUCTION**

According to information brought back recently by a delegation of Burns citizens to Portland, the time is ripe for some railroad construction in the Central Oregon country and we should take advantage of it. There is a disposition upon the part of those in charge of affairs that a move should be made to bring more tonnage to the transportation lines and bring a greater production to the idle lands of the country by the two working in harmony. This is our opportunity. We are going to have our irrigation project completed with in a reasonable time—as soon as the transportation companies can arrange for the necessary extensions—so it is time that all get busy. Strike while the time is right. Go after things when we are all in the same notion and have the backing of the right people and have a united organization to work through.

**MUST BE DEMAND FOR NURSE TO GET COUNTY AID**

The county court must be made to know there is a demand for the county nurse before aid will be furnished from that source toward her work. There is such a number of things requiring public aid that it is causing the board more or less concern and the taxpayers are going to assume the responsibility of placing more expense upon themselves. This at least, seems to be the attitude.

Miss Cecil Schreyer, a representative of the State Bureau of Nursing, under whose supervision the community nurses are taken care of, was in this county for several days last week. She made investigation of conditions and asked what would be done in the matter of continuing the work that has been started and financed so far by the State Tuberculosis Association. Miss Schreyer desired a county organization to take up the matter of the public health nurse and see what the sentiment was in regard to the county assuming the expense.

This is a new departure in this part of the country but it is one of the important advancement ideas that we should take advantage of. The proper care of the children has long been neglected. It has been grown from observations since the time we covered into the big world war that it is of vital importance to the future of the human race that we give the children better attention. The Red Cross has opened the way for this work and it is up to parents and school authorities to follow out the line of work started by this big organization.

The people in general of this county are favorable to the proposition of a public health nurse. Especially is this true of school authorities and the teachers, as well as individuals who have given the subject consideration. However, there is some opposition that must be considered. If a more thorough understanding were had of the duties of the community nurse it would be of benefit in overcoming this prejudice. Some seem to think it her duty to do actual nursing while she is called upon, but this is not the case. She will go on in an emergency for a certain period but this is not general and she is not permitted to remain on private cases an unreasonable length of time as she must devote her time to the entire county. She is more in the capacity of advisor and teacher than as a nurse to take particular cases.

Already much support has been forthcoming in the nature of letters, petitions and resolutions from the teachers and different sources in the county, recommending the work go on and that the county assume the expense. This will require an item of some \$3,000 plus the price of a Ford car to be inserted in the county budget to be acted upon. The sum named is not salary alone; the nurse is expecting to receive \$150 per month and the balance of the amount is for the upkeep of the car, expenses in going about over the county, supplies, printing, etc. There are certain charts and pamphlets necessary in the work that must be taken care of.

The demand for this work should be in the hands of the court by the

first of November. An organization to be known as the County Public Health Association has been effected to take care of any matter in connection with this work and it is expected that the members of this organization will ascertain the sentiment in the different communities in the county and let it be known in order that the court may act intelligently when the matter is placed before it for consideration.

**WHY HARNEY COUNTY SHOULD HAVE A FAIR**

County Agent McDaniels offered a special prize for the best essay written by a school boy or girl on "Why Harney County Should Have a Fair." The following was awarded the prize and was written by Frances Donegan daughter of Mr. and Mrs. J. J. Donegan:

A county fair creates interest from the smallest boy and girl to the oldest man and woman. The children are concerned chiefly with the amusement offered; but the exhibits in which they take part teaches them to do their best. Older people are interested not only for amusement, but for graver economic problems.

The fair is, primarily, for the rancher. It stimulates agricultural growth. The farmer works to have his produce, which he will enter in the exhibits, of the highest grade. He is proved by competition to breed the best live stock for the entries. Higher prices are received for the better breeds of live stock and as this is chiefly a stock raising country, the community would be made more prosperous.

The farmer who has become disheartened is encouraged by the exhibits of his neighbors. If other people have raised such splendid specimens, surely he can. He goes away cheered, with an incentive to continue his work. The farmer who has settled in a rut, is awakened by the exhibits to progress.

Social recreation, especially for farmers' families, is provided by the fair. It brings them in contact with people outside of their narrow scope, who live under different conditions. When people congregate, they exchange their ideas and opinions, which gives each one a broader outlook on life.

Economically the community is benefited. Visitors from outside the county and state are interested, not only in the exhibits, but in the land, and natural resources of the county. The interest spreads, causing attention to be directed toward the land. This causes land speculation, bringing in more people to settle and develop the country. Harney County needs this settling and development. A county fair promoting this should be heartily supported by every citizen.

**BUSINESS MAN FROM SAN FRANCISCO.**

A. Ottinger, proprietor of the Farmers Exchange, is up from his San Francisco home looking after his business interests in this city. Mr. Ottinger came in by way of Bend and has been taking things quiet since his arrival. However, he is not going to remain quiet during the rest of his stay as he intends to try his luck with the bird shooting some time the coming week. Mr. Ottinger questions his callers about the future of this part of the country and especially the irrigation project. He sees a great future with the reservoirs in and the water properly handled, but until this is done he does not feel justified in making further investments or enlarging his business activities.

**CIRCUIT COURT IN SESSION**

The regular fall term of circuit court convened on Monday morning of this week. Several jury trials have been held and the court has passed upon matters before the judge. Among the cases disposed of are:

Dr. C. C. Griffith vs. Golden O. Brady, suit to recover money on account, the jury brought in a verdict for the plaintiff in the sum of \$475.

Dreg Astorquiel vs. A. E. Brown, Harry and Glenn Brown, for damage, the jury found for the defendants.

Winnie Wickert vs. Wm. Buttler, replevin of property, jury returned a verdict for defendant.

Thos. and Len Vickers vs. Thomas Hill, forcible entry and detainer, the jury found for plaintiffs.

June Ingersoll was granted a divorce from Bell Ingersoll.

A criminal suit is under consideration today in which Frank McBurney is accused of killing a cow, the property of the Eastern Oregon Live Stock Co. It went to the jury this afternoon.

There are one or two other criminal cases set for trial during the term and a few civil suits yet on the docket to dispose of.

Dist. Atty. Sizemore states the court is going to empanel another grand jury to take up matters before adjournment.

**WM. E. LYND RETURNS TO ARMY**

The following clipping from a Payette paper mentions a former Harney county boy. Capt. Lynd was at one time a resident of this section where his father had a ranch and the boy worked for a while at the Island Ranch of the P. L. S. Co. Capt. Lynd's wife is a sister to Mrs. Obil Shattuck.

After an examination taken at Vancouver Barracks in July last, Wm. E. Lynd has been appointed first lieutenant in the Air Service regular army, being the only one from Idaho to be commissioned as a flying officer in the Air Service.

Lieut. Lynd was a second lieutenant of the old 2nd Idaho Infantry and sailed for France in 1917 as a first lieutenant of the 146th Field Artillery. Shortly after arriving in France he was detached to the Air Service and after passing through various aerial and gunnery schools, both French and American, was an instructor in the largest American Aviation center overseas.

After much preliminary training, Lieutenant Lynd went to the Front as Operations Officer of the first American equipped squadron to fly over the lines, the 135th Aero Squadron being equipped with the famous Liberty motors, and participated in two major engagements, St. Mihiel and the Meuse-Argonne.

At the close of hostilities, Lieut. Lynd was promoted to the rank of Captain and given command of the 85th Aero Squadron which he took into Germany, establishing an air-drome on the Rhine, and remained in the Army of Occupation until he brought his squadron out to sail for home in July 1919, as the last Air Service unit to leave the A. E. F.

We feel particularly interested in the career of Lieut. Lynd as he has made his home in Payette for the past five years while not in the service, and considers this his home. He was admitted to the bar of Idaho last June and we had hopes of a brilliant legal career for him, but feel confident that as he has chosen the Army as a life career, that he will make a success of that.

At one time Lieut. Lynd was a member of Company I, the local Na-

tional Guard company, and served as regimental commissary Sergeant of the Idaho troops on the Mexican Border in 1916. He leaves Wednesday evening for Vancouver Barracks to report for duty.—Payette Enterprise.

**Fair Premium Winners Are Not Aavailable**

(Continued from page one)

**Champion**  
 Cow any age, Harley Hotchkiss.

**Grades**  
 Best Grade cow any age, L. Mace, 1st, Phil Smith, 2nd.

Best male calf under one year, Phil Smith.

Best Heifer calf under one year, 1st, Phil Smith; 2nd, L. Mace.

**Sheep—Marinos**  
 Ram 2 years or over, T. Caldwell, 1st; F. King, 2nd.

Ewe lamb, T. Caldwell, 1st; C. A. McMahon, 2nd.

Ram lamb, C. A. McMahon, 1st. Flock, C. A. McMahon.

**Oxford Downs**  
 Ram 2 years and over, Ram lamb, Ewe two years and over, Ewe lamb, Flock, Dr. L. E. Hibbard.

**Hogs—Berkshires**

**Skins.**

**Horses**  
 Best matched team, over 2400, Best 4 horse team over 2800 Geo. Whiting.

**Poultry—Turkeys Best pen**  
 Chickens Oregons Best pen, Dr. L. E. Hibbard.

Rhode Island Reds, Mrs. Ralph Peabody.

**LOCAL DEALERS TAKE MEMBERSHIP IN MERCHANTS A**

B. C. Keith, field secretary of the Oregon State Retail Merchants Association, was here during the week from Portland and interested several local dealers in taking out a membership in the organization. This association is for the mutual benefit of the members and it is hoped the local men will avail themselves of these benefits. The firms of Burns who have taken out membership are: The Times-Herald, Lunenburg, Dalton & Co., Burns Cash Store, C. H. Voegly, I. S. Geer & Co., N. Brown & Sons, Reed Bros., Home Drug Co., Farmers Exchange.

The Ladies Aid of the Presbyterian Church will meet at my home Wednesday, Oct. 13, 2:30 P. M. Mrs. W. M. Sutton, President.

FARM WANTED:—I want to hear from party having farm for sale. Give price and description. John W. Walt, Champaign, Illinois. 16-2t.

**WE HAVE MOVED**  
 Into the  
**LEVENS HOTEL BUILDING**

We invite you all to call and get acquainted and inspect the store.

You will find Prompt and Courteous Attention at all times.

Mail Orders will receive prompt attention, shipped out same day order is received.

If we haven't what you want, we will get it.
