MERCHANDISING MASTERY

The Words of the Hour

Weinstein Mercantile Company has launched another mighty movement to bring prices down, down, down, DOWN, in this the greatest merchandising drive since before Back to Normalcy in Prices, New Drive launched Monday in our giving the War. Harney county lower prices, brings you these reductions on Groceries, Furnishings, Shoes and Hardware at practically wholesale prices, some for even less than wholesale. This is something new--reduced prices? Yes. Nothing so very strange about that these days, but WHOLESALE PRICES! That's something else again.

When we say that we offer great quantities of Groceriees, Furnishing, Dry Goods, Shoes and Hardware at practically wholesale costs, we mean wholesale costs at the time purchases were consumated. Our buyers were in the market when the break came, cash in hand, and so we've got nothing on you in this drive. Its a case of everybody their own wholesaler - - - - - - - - - - - - - - If they get in on this proposition.
