

# Merry Christmas and Happy New Year

We take this opportunity of expressing our thanks and appreciation to the general public for the business entrusted to us for the past year.

We sincerely trust that we have, in a measure, rendered a service in justice to the confidence expressed by our patrons.

Our growth along business lines has by far exceeded our expectations of a year ago. Our future looks even brighter than the past. Kindly accept this, our expression of GOODWILL and YULE TIDE GREETINGS, in the same whole hearted spirit as it is given.

### ROSS SUFFERED FOR TEN YEARS

Had Awful Dizzy Spells As Results of Indigestion—Is Well Man Now.

"After suffering for ten years with out finding anything that would do me any good, Tanlac has restored my health entirely and I have gained ten pounds in weight since taking it," said Charles F. Ross, of 1191 East Thirty-third street, North, Portland, Ore.

"For all these years my stomach has given me trouble and often I was bothered with rheumatism in my joints. My appetite was very poor and my stomach was so easily upset that I had to be very careful about what I ate or I would be in misery for hours afterward. The rheumatism in my joints pained me so bad at times I could hardly stand it, and sometimes I had terrible fainting spells and would fall unconscious. I had no energy, felt tired and worn out all the time and when I began taking Tanlac was in a badly run-down, weakened condition.

"After taking the first bottle of Tanlac I began to feel stronger and better than I had in years, and as I continued taking it my improvement was so great that in a short while I was a well man. I now have a splendid appetite, eat anything I want and never have any trouble afterwards. I am entirely free of rheumatism and have not had one of those terrible fainting spells since I started taking Tanlac. I never have that tired, worn out feeling and am always ready for my work which I can do without a particle of trouble. In fact, since taking Tanlac I feel just like a different person and it is a real pleasure for me to recommend it to others."

Tanlac is sold in Burns by Reed Brothers, and in Crane by Crane Mercantile. —Adv.

#### "A GOOD PROVIDER"

When it comes to being "a good provider," no man would pride himself on furnishing trash liberally for his family. The family is entitled to good, wholesome food that helps growth.

It is the same with reading. Good reading pleases and creates its own hunger for more good reading. The Youth's Companion is the best of reading for all—every member—every age.

And it comes every week—crowded with the best. Let us prove it with a sample.

The Youth's Companion has long since ceased to provide for "Youth" alone. It has become the favorite of all-the-family weekly of America. Its name is a misnomer, but is retained for the sentiment it has generated in American homes through its service to every age.

Still \$2.50 for a year of 52 issues, but this price not guaranteed beyond January 1, next.

New subscribers for 1921 will receive:

1. The Youth's Companion—52 Issues in 1921.

"-for clean oil in a clean engine"

## "See what we found in your crankcase oil"

THIS lens shows some of the dirt that can be found in any crankcase after a few weeks of driving—road dust, carbon and fine particles of metal. Such dirt circulates with the lubricating oil through the engine, together with gasoline that escapes past the pistons and dilutes the oil.

Have the dirty, diluted oil in your crankcase drained out—now—before unnecessary wear begins. We can do that best for you with Modern

Crankcase Cleaning Service—convenient, quick, economical. We use Calol Flushing Oil, the scientific, thorough flushing agent which does not contaminate the fresh oil. We assure proper lubrication for your engine by refilling the cleaned crankcase with Zerolene of the correct grade.

Make a regular habit of Modern Crankcase Cleaning Service. It gives better engine performance and longer life to your car.
