

NATHAN HALE

give to my country"—said Nathan Hale, the famous young American patriot of the Revolutionary war.

When some men can rise to such heights of self-sacrifice—When every father is equally willing to give his life in the defense of his home and family—does it not seem that ALL of us fathers could sacrifice something out of every pay check to provide for safety and future of our children?

"DOST THOU LOVE LIFE? THEN DO NOT SQUANDER TIME, FOR THAT IS THE STUFF LIFE IS MADE OF."
