R. L. HAINES PASSES AWAY.

Rupert L. Haines died on last Tuesday, September 9, at the Valley View hospital in this city, the cause of his death is announced as cerebral abscess.

Rube Haines was one of the well known peace officers of this part of Oregon. He had served as city marshal in Burns for many terms and had elected time after time. At the outbreak of the war he enlisted, although beyond the age limit, and served with distinction over seas being in several of the big battles. Upon discharge he again came to Burns and resumed his residence. In July, last year Mr. Haines was shot while in the discharge of his duties as a peace officer and he never fully recovered from the effects of this wound, it being a source of menace from the time he was shot until his death. He spent many weeks in hospitals suffering from this wound and when he would get better would get out and attempt to do some work.

Rupert L. Haines was born in Myrtle Point, Oregon, and was 56 years old at the time of his death. He had no immediate family but is survived by four brothers and four sisters, some of whom reside in this state.

Mr. Haines was an Odd Fellow, affiliating with a lodge in Grant county. The remains were prepared here and shipped on yesterday morning's train out of Crane to Eugene where interment will be made in the family lots. Harney Lodge, No. 77, I. O. O. F., wired Eugene Odd Fellows to meet the casket at the train and escort it to the place for funeral services.

CODY'S TRIAL SET FOR DECEMBER 2

Word comes from Judge Biggs that the trial of Archie Cody, the slayer of Sheriff Goodman, has been set for December 2 in Malheur county. Cody was represented in court at the time he was arraigned by an attorney from Medford.

Members of the Harney county bar have signified their willingness to give District Attorney Lytle of Malheur county any assistance he desires in prosecuting the case. C. H. Leonard has volunteered his services to the members of the slain sheriff's family and will in all likelihood go to Vale. M. A. Biggs has also announced his willingness to give his services if he can be of any help.

OLIVER REVUE OF 1924-25 BIG ATTRACTION AT LIBERTY

Olivers black and white revue of 1924-25 opened at the Liberty last night to a packed house and from the applause of the audience and their remarks on the way out it is a clinch that this clever company will have no difficulty filling the theatre for Saturday and Sunday.

The show is a Frisco company that came to Burns with enviable reputation backed up with plenty of genuine letters of recommendation as well as press notices from the larger Oregon cities.

Last night's performance was sufficient evidence of Mr. Byrd's shrewd judgment in booking the attraction. It is the only show of the size or

kind ever to play Burns positively the best ever in the city. Two solid hours of genuine laughs breaking spontaneously and almost continually gave evidence of the appreciation of the audience.

Space is too limited to mention each individual member of the company but the chorus numbers were not only catchy but showed evidence of perfect training the tricky steps of the numbers being executed in such perfect unison that they worked as one girl. Much credit for the perfection evidenced by the girls is due to Eddie Wright producer and one of the best known comedians on the coast.

On the opening night The Oliver Revue lived up to their reputation and more and their success is assured in Burns.

LOCAL AND PERSONAL

Mrs. M. B. Gilbert is enjoying a visit from her parents, Mr. and Mrs. Geo. G. Schlegel, of Pilot Rock, Oregon. The visitors arrived here last Saturday by motor and have been prevailed upon to remain until after the railroad day celebration. Mr. Schlegel is a strawberry grower in his neighborhood and stated to a reporter of this paper that his crops this season were badly damaged by the April frosts and later the entire community suffered from the drought although the frost was the most damaging factor of this seasons crops in his part of the country.

Ira N. Gabrielson, chief of the rodent control of the U. S. Biological department in this state, is in this vicinity accompanied by his assistant Roy Fugate. They are merely passing through this county en route from one location to another in their work. They leave today for Lake county. While here "Gab" tendered his services to any who might need them and The Times-Herald man sent him out to give relief to a neighbor who was having trouble with gophers in his alfalfa patch. "Gab" is always welcome in these parts.

Married—Hadden Elliott and Mrs. Kathrine Bunyard were married last Sunday, Sept. 7, at the home of the bride's sister, Mrs. Fred Haines, at Harney. Rev. C. A. Watterhouse of this city performed the ceremony. Both the contracting parties are well and favorable known in this county where they have resided for many years. Mr. Elliott is an industrious young rancher and stockman who is a member of a pioneer family. His bride is a charming young lady who has been teaching in this county for the past few years, but who has been

a resident of Harney county since girlhood. She is an attractive young woman with many friends and admirers. Hadden is to be congratulated. We understand they will make their home in the Diamond section.

Robt. Huston, a former Burns boy who took an active part in civic matters during his residence in this community back in the '90's, was calling upon his old friends in town early this week. Bob used to play in the band and was always on hand on any patriotic occasion to do his part. He has not changed. He enlisted in the Spanish American war and then again when the world war came on he couldn't resist—and enlisted again. Bob is now night foreman on the Eugene Register and one of the dependable employees of that well established publication. He left for home Tuesday morning. He

is a brother to Mayor Walter Huston and had returned in company with Walter from Weiser, Idaho, where they had attended the funeral of their mother, Mrs. Luckey.

The committees in charge of the railroad celebration are getting everything in readiness for the event. The barbecue dinner will be prepared to care for at least 2,000 people. The housing committee has been canvassing the town for available rooms.

Due to the unusually dry season we find it necessary to prohibit hunting, fishing, and all unnecessary travel on or through the ranches of this company. We request the public generally to co-operate with ourselves and other stockmen in this matter, and to assist in the prosecution of trespassers.
