

BRUNSWICK RADIOLA

Brunswick Radiola No. 160 contains the same Super-Heterodyne receiver as embodied in Models No. 260 and 300. It is a handsome cabinet, 40 3/4 inches wide, 37 1/4 inches high, 21 3/4 inches deep, and is finished in a two-tone Adam Brown Mahogany and Walnut.

This instrument has a three-spring Brunswick Motor, double Ultona (Reproducer), all-wood oval tone amplifier—12-inch record turntable. Tone modifier and six record albums. All trimmings are gold plated.

BRUNSWICK RADIOLA

Brunswick Radiola No. 35, employing a four-tube regenerative receiver consisting of the Radiola III and the Radiola balanced amplifier mounted in one unit, which is known as the Radiola III-A.

This receiver combines all of the latest improvements known in single circuit regenerative receivers, and is provided with a combination selective tuning adjustment. Unusual results may be obtained even by the amateur operator.

This instrument has a Brunswick two-spring motor, 12-inch turntable, single Ultona (Reproducer), all-wood oval tone amplifier, tone modifier, one 12-inch and two 10-inch record albums. The trimmings are nickel plated. Cabinet size—34 1/4 inches high, 30 inches wide, 21 3/4 inches deep, finished in Adam Brown Mahogany and Walnut.

LOCAL AND PERSONAL

The pupils of Mrs. Fred Racine, assisted by a ten piece orchestra and a male quartet, will give a public recital at the Liberty Theatre on next Thursday, March 12, at 8 o'clock. The public is cordially invited.

Mr. and Mrs. C. A. Miller came over from their home at Drewsey Thursday and were registered at the Levens. Mr. Miller is one of the district supervisors of the Pacific Live Stock Co. Their daughter, Adeline, is a student in the Harney county high.

Mr. and Mrs. J. L. Bradeen and little child were in from their home at Blitzen over the weekend. Mr. Bradeen is associated with his brother in conducting a general merchandise store at Beckley and they also have a branch at Somerange up on the mountain.

Mr. and Mrs. Luther Fitchett brought their little son Marvin over from their home at Crane last Saturday and placed him in the care of the excellent nurses at Valley View hospital, the little fellow having contracted an attack of pneumonia. He is reported recovering nicely.

Henry Welcome was over from Juntura over the weekend, having come in on Saturday night's train, leaving on his return on Monday. He was here to see relatives and also to confer with associates in the Home Drug Co. store of which he is a stockholder.

Oscar Downs came over from his ranch home at the head of Catlow valley on Tuesday. His sister accompanied him over and will remain in town with her brother Charley and family for a time while having some dental work done. Mr. Schuable, a neighbor of Oscar's, came in with them and returned with him on Wednesday.

Miss Cella Gallagher, daughter of Mr. and Mrs. P. J. Gallagher, and Miss Mildred Conklin, daughter of a former prominent educator of this state, both of Ontario, are registered at the Levens. These young ladies came to Burns Thursday evening as the representatives of the Ontario high school to debate with Harney county high school.

R. V. Hopper and Chas. B. Foley of the Fred Herrick Lumber Co. office force, arrived home Monday from a trip to Baker. They left the train at Weiser on their way home and drove in a new Dodge car from there which Mr. Hopper has turned over to the sheriff for his use, the county having purchased it for that officer.

Friends in this city have received the information that Chas. Bonnett, a one time resident of Harney county with ranch interests in the Crane creek section, had died recently at his home at Eugene where he had been living for the past several years. Heart trouble was the cause. He and his family were in Burns last summer visiting for a time while en route

to Alberta where they had wheat land interests.

Prestley Smyth and Mrs. Eloise Newton were married yesterday forenoon at the Presbyterian Manse, Rev. Samuel Harris performing the ceremony. Mr. Smyth is one of the prominent pioneer stockmen of Diamond, he having come there in the late 70s. His bride has recently been hostess at the Levens Hotel, but formerly resided in Catlow valley where she is quite well known. This paper joins friends in extending best wishes for a happy wedded life to these two estimable people.

The Forest Department has set a task for Mr. Herrick to comply with in his big development undertaking in this country. However, Col. Greeley is no doubt well informed and has not made the terms impossible to fulfill. The people of this vicinity are pleased to know that definite and specific units of the work have been settled upon and it has caused activity in Burns from the time it was announced. Considerable improvement has started since is is known.

Mr. and Mrs. J. M. McDade were up from their home in the Trout creek valley near Denio for a few days this week. This is one of the finest stock sections of the county and Mr. McDade and his associates have some fine ranches down there. He reports that the water for irrigation during the coming season is none too promising in his vicinity.

However, there may be considerable moisture yet before the irrigation season. The McDades have recently made a visit to Boise and points outside.

Mr. and Mrs. Barney Kobler were in town Wednesday from Princeton. Mr. Kobler came up to consult with the doctor in regard to the wound

he recently received when he was shot by Ira Nelson. The wound was not healing satisfactory and he had some cotton removed from it which was likely the cause of the trouble. Barney stated to a representative of this paper that it was his intention to farm quite extensively on his ranch at Princeton during the coming season provided he could get properly equipped.

YOU MAY WIN \$1,500
