THE HERAALD is neutral in nothing—independent in all things, and straight-out democratic when party lines are drawn. And on all the questions of the day will be found advocating the right side, as its editors are able to view it.

THE HERALD is an advocate of law and order; of "the greatest good to the greatest number;" is anti-sectional in matters pertaining to East Oregon, Grant county, Harney Valley or Burns.

It publishes the latest news for its readers as soon as obtained; offers its columns to the oppressed, the prosperons, and every other citizen within its territory, willing to take the responsibility of his utterances.

To School Directors and Teachers. County School Superintendent H. F. Podson has appointed Bayif L. Grace Deputy for this part of Grant county. Pariles having business to transact with the Superintendent will find Mr. Grace at THE HERALD office, Burns, Or.

PAISLRY, Or., Feb. 6, 1857. To Whom it May Concern: TO WHOM IT MAY CONCERN:

Because of the opposition offered by the antimoral element of our town to Prof. Grace's determined effort to overcome the immoral influences thrown about the school given into his charge during the five months just past, we herewith endorse his course as a teacher by affixing our signatures:
