## THE HERALD.

## Local News.

## HARNEY VALLEY ITEMS.

It seems from the secretary's report of proceedings of the Teachers' Institute held last week at Canyon City, for Grant county, that not one teacher was present from this end of the county to represent the educational interests of Southern Grant, as all the names of parties mentioned in said report are of Northern Grant.

We would suggest that every board of school directors make it obligatory upon every teacher employed in Southern Grant to attend the next Institute, by paying a salary that will justify them in incurring the necessary expense.

And to the county school superintendent THE HERALD would suggest that he appoint the next place of meeting in Southern Grant, and he can rest assured that every teacher and the majority of school directors in South Grant will be present, and, if held in Burns, the teachers be entertained free of charge.

The attendance of teachers on Institutes held annually for their benefit to the counties in which they teach, is an obligation they owe to the children placed under their care, and to the profession they adopt, and should make it a point to be present if possible at each meeting.

## Tuesday's Race.

On Monday evening, Sept 3, five horses were entered for Tuesday's purse, (\$100) "quarter-mile, free-for-all" race.

H. L. SUNDERLIN of Dell, Malheur co., Or., entered "Vandee," a bay horse, 8 yrs old, pedigree unknown. Racing color, blue.

J. C. WOOLEY of Burns, Grant co., Or., "Olympia," a sorrel gelding, 17 yrs old, pedigree unknown. Racing color black.

At 2 p m horses and spectators were on the grounds.

After several starts the five horses got off in order. The Morrow county horse Little Dick won the purse, with Drewsey's Tom Benton second, and Prairie City's Little Girl, third; Vandee and Olympia were left far back.

Little Dick made the race in 24 2-5 seconds.

Little Dick's friends held him up at the pool box along with the Little Girl and Tom Benton.

Dude had a good horse and backed him like a thoroughbred.

McHALEY stayed with the Little Girl till the last.

Pools sold about even on Little Girl, Little Dick and Tom Benton.

Rye Smyth makes a good starter. He gives them a fair send-off or they don't go.

McHALEY's jockey claimed a foul for the Little Girl, claiming that she had been crowded into the bank. Upon examination of the track and hearing the evidence of the patrol judges and riders, the judges decided no foul, claiming that with five horses on the track, the horse with first choice would naturally be crowded to some extent, and the evidence of the jockeys was that they saw no intentional foul riding.
