

THE HERALD.

THURSDAY, DECEMBER 27, 1888.

Prepared for Pleasant Winter Evenings.

"Back East" one of the most delightful incidents of private life in families of refinement is the annual making up of the reading list for the winter's evening entertainment...

An unfading flower of beauty is the memory of those pleasant winter evening hours when the curtains were drawn to shut out the night, the cold, and the storm without...

Now, let us turn over a new leaf and do as many of us are already doing: Make Home this winter the bright center of affectionate desire...

Here it is in a nut-shell: A fire, a light, a round table with bright cover; on the table a copy of THE HERALD, a Daily Examiner, a West Shore, a Century, a fashion magazine like Demorest, Godey or Peterson...

THE HERALD, Ledger, and Godey, \$5.25. THE HERALD, Century, and Peterson, \$6. THE HERALD, West Shore, and Free Press, \$4.50.

Look over our Club List and you will be able to make even cheaper combinations than the above.

It has been one of our endeavors to make THE HERALD introduce and hold the best class of periodical literature in the country; to induce the publishers of such to seek to place their works on our market...

We will give a monthly review of each addition to our Reading Room, as it reaches us, for the benefit of readers at a distance.

HARPER'S Monthly has this to say of the Detroit Free Press, and we call our readers attention to the quotation because we have secured the lowest club rates from it for all THE HERALD subscribers that it has ever before offered:

"The Free Press is a weekly literary and family paper, with a funny department that has given it a reputation and circulation in every part of the United States, and made profitable the publication of a special edition in England to be sold in Europe.

The reputation of The Free Press was not built up exclusively on the reputation of M Quod's funny articles, nor is it retained solely for, or chiefly by them. The proprietors have made of it a literary and family paper.

This is great praise from an acknowledged authority in the literary field as our readers know, and it is deserved. You can obtain a year's subscription to this most excellent of family papers and The

HERALD which you know to be the most enterprising local paper in Grant county, for the regular subscription price of THE HERALD alone, \$3, when you delay payment to the end of your subscription year.

You are specially invited to write the items of general interest occurring in your neighborhood, and send to THE HERALD. Never mind doing them up in reportorial style as if to a large city daily, where all copy is cut up into short "takes," for 80 or 100 men to work on—then you must write on one side of the paper, capitalize, paragraph, and punctuate carefully, or it is useless to the paper.

As we have but two type-setters and they offer no objection to copy written on both sides of the paper, all we ask of our friends when writing news for this paper, is to let all the items be reliably obtained, attach the author's name, sign a fictitious name if desired, write proper names carefully, and send right along to our address.

THE WEEKLY TOLEDO BLADE 1889 ONLY ONE DOLLAR

The leading Weekly Newspaper of the country, and the only paper edited with reference to circulating in every state and territory in the Union. The Blade is the most popular Family Weekly, with the largest and widest circulation. It has today over 150,000 subscribers, and may at any time be found in any nook or corner of the United States.

The Blade gives more reading, better departments, and later news, than any of its competitors. It is the largest Dollar paper published, and its departments so carefully edited that it cannot help interest each member of every family. In fact the Blade

A Specimen copy will tell more than can be given in this advertisement. Everybody is invited to send address on a postal card for a specimen copy.

THE BLADE SEWING MACHINE

With the Blade one year is only \$18.00. This machine is made in the Blade own factory, especially for Blade subscribers. It is guaranteed as good, as handsome, as light-running, as durable, and as valuable in every way as any \$75 or \$100 sewing machine made.

CONFIDENTIAL TO AGENTS:

For clubs we this year pay the largest commission for new subscribers that we have ever paid, or ever paid by any paper. Write us for confidential terms to agents.

It is easier to raise a club for the Blade than for any other publication, and an active worker can earn \$2.00 to \$5.00 per day on the terms we offer. Single subscribers will remit one dollar for one year. Everybody invited to send for free specimen or terms to agents. Address,
