—Miss Zella Bailey, now at St. Francis Academy in Baker City, is making a fine record in her various studies, the past two terms showing a high per centage in all branches: penmanship 100, drawing 90, grammar 100, arithmetic 100, algebra 100, instrumental music 100, painting 70, etc. This is an unusual exhibit of proficiency on the part of teachers and pupil, and the samples of penmanship, fancy work and painting are very beautiful, fully up to the grading.
