Advice to Mothers.

Mus. Wisslow's Soothing Syrur for children teething, is the prescription of one of the best female nurses and physicians in the United States, and has been used for forty years with never-failing success by millions of mothers for their children. During the trocess of teething its value is incalculable. It relieves the child from pain, cures dysentery and diarrhea, griping in the bowels and wind-colic. By giving health to the child it rests the mother. Prive 25 cents a bottle.
