EAST OREGON HERALD.

MY BELOVED.

BY NELLIE R. GRACE.

What is to be Thy name In Paradise? By what Dear word to me Thy worth Can eler suffice?

'Tis said, you know, Dearest, There will be given To us From worlds below, Meaning Names in Heaven.

A speaking name, That tells Of each good deed E'er done— Of earthly fame— And thoughts— That for us pleads.

What is to be Thy name In Paradise? For what Dear word, to me, Thy worth Can e'er suffice!

To the Medical Profession DEPARTMENT OF THE INTERIOR, CENSUS OFFICE, Washington, D. C., May 1, 1889. The various medical associations and the medical profession will be glad to learn that Dr. John S. Billings, Surgeon U. S. Army, has consented to take charge of the Report on the Mortality and Vital Statistics of the United States as returned by the Eleventh Census. As the United States has no system of registration of vital statisters can date the first step of their civilized nations for the purpose of tics, such as relied upon by other ascertaining the actual movement

22. It creates a jealency between the only opportunity of obtaining near an approximate estimate of the birth and death rates of much the larger part of the country, which is entirely unprovided with any satisfactory system of State and municipal registration.

In view of this, the Census Office, during the month of May this year, will issue to the medical profession the following article clipped from and keep unspotted from the world. throughout the country "Physi-28. We can not let our light cian's Registers" for the purpose of obtaining more accurate returns of deaths than is possible for the enumerators to make. It is earnestly 30. We are to glorify God in our hoped that physicians in every bodies and spirits. Can we do it part of the country will co-operate with the Census Office in this important work. The record should be kept from June 1, 1889, to May 31, 1890. Nearly 26,000 of these registration books were filled up and returned to the office in 1880, and nearly all of them used for

> statistical purposes. It is hoped that double this number will be obtained for the Eleventh Census. Physicians not receiving Registers can obtain them by sending

> their names and addresses to the Census Office, and, with the Regisquires no stamp will be provided for their return to Washington. If all medical and surgical practitioners throughout the country and vital statistics of the Eleventh

sive and complete than they have ever been.

Every physician should take a personal pride in having this report as full and accurate as it is possible to make it.

It is hereby promised that all information obtained through this
