#### HARNEY VALLEY

Location, Resources, Climate, Soil, and Needed Developments.

This valley is nestled in a broken chain of mountains on the northeast, south and west with the highest peaks of the Blue mountains on the north and the Steen mountains on the south, towering up into the HARPER'S WEEKLY HARPER'S YOUNG PEOPLE realms of perpetual snow. This P. s'age Free to all sul scribers in the United States, Canada, or Mexico. valley has

#### AN ABUNDANCE

of water supplied by the Silvies and Blitzen rivers and their tributaries, and other smaller streams, all of which have their outlets in the Malheur and Harney lakes. The Malheur and Harney lakes have no outlets. These two lakes are connected by an artificial channel and are on a level with each other, to the contrary notwithstand-increase in the supplied by the Silvies and their freight does not exceed one dollar per volume, for \$7 a volume, of the Bazar begin with the first number for January of each veer. Bound volumes of the site is the visit in the volume and the per volume o other, to the contrary notwithstand- Adress: ing, as you will observe by the maps giving the geography of this region. These two lakes cover an area of about 150 square miles and are NEAR THE CENTER

of the valley. Their shores ar-

ly all kinds can be successfully raised here.

#### VACANT LAND

as level as your floor in bodies of thousands of acres, is here to be taken and is just as good as any that is occupied. Home seekers in Ore gon cannot do better elsewhere.

This Eden will not long remain in an unsettled state, but in a few short years this land will be all taken, the golden opportunities now offered will be improved.

in the northern portion of the val-Both towns have an

#### IMMENSE TERRITORY

adjacent, adapted to both farming and stock-raising. The town of Burns has two newspapers. The principal stock men of this valley are Mess. Peter French, J. S. Devine and the L. F. Co. These parties are all said to be millionaires and

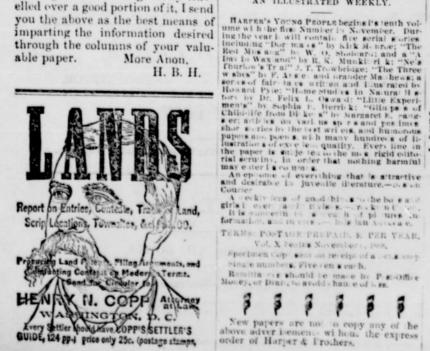

strongest on this coast if not the strongest in the world. Their dominions extend from Grant county, Or., to the southern confines of Cal- HARPER WEEKLY. of miles from here in a southerly HARPER'S YOUNG PEOPLE direction and camp every night on their free-holds. Peter French Esq. is administrator to the Dr. Glenn estate of California, Mr. French's wife being heiress of that estate

Two established surveys

#### FOR RAILROADS

have been made through Harney valley by the Oregon Pacific R. R. Co. and the N. P. R. R. Co.

With the advent of railroad facilities this year to Harney valley and with the advent of the electric telegraph to our midst, we will ask for no more, for these are the requisites for modern civilization and the "evolution theory" of development will naturally follow. I have received letters of inquiry regarding this region and having lately travelled over a good portion of it, I send

AS A LOCAL NEWSPAPER.

THE HERALD acknowledges no superior in Eastern Oregon. It points with pride to its well-filled columns the past year, and to its evident progressive influence upon the prosperity of the great Harney valley. As in he past so in the future it will strive to make prominent note nonses are branded of every e a rprise calculated to Lenefit the people; to record every the "s-wrench" on the advance m de in showing up the resources of the Valley; to advocate Law and Order under all circumstances; to frown upon all attempts to foment discord among the people in the interest of any individual. clique or faction; to give the xews of the day impartially and as fully as industrious effort and the aid of friends may enable us to of tain it; to give all the Lecal and Personal gos ip of our section,

suitable for publication, with all else of interest in this department; IT WILL BE AN EPITOMIZED HISTORY OF THE VALLEY

#### All Rustlers,

Who know that in the rapid growth and wide proclamation of the advantages of Harney Valley lies their own best road to prosperity Should Subscribe for the Herald, Themselves AND SEND EXTRA COPIES TO EASTERN FRIENDS.

#### The East Oregon Herald

Has successfully maintained itself through an ordeal of local opposition, vindictive and unscrupulous to a degree seldom equalled in country journalism; has advocated un inchingly the rights of ALL PEARS, PLUMS, ..... the people of East Oregon generally and Harney Valley especially against the machinations of all organzed petty cliques that sought by fraudulent misrepresentation to advance the private interests of a few at the expense of the many. Believing that "The soler second thought of the people is always right and always effective," and that "Truth is mighty and will prevail," The Herald has steadfastly followed THE RIGHT, and the people have given it a moral and material support that renders its permanency beyond question. As it has worked indefatigably and unselfishly in the interest of the people, it TREES, SHRUBS, ..... on each of it, so or upper the not branded; never been shod; not broken. Has a spayin on hind leg and ringbone on the foot of the other leg.

Is Now a fixed Institution of the Valley.

# THE EAST OREGON HERALDI

Has, from the initial number to the present, persistently and impressively maintained that the Harney country was one of the finest agricultural regions in the Union, needing only the presence of industrious farmers to develop its wonderful resources. To prove the truth of the strong language in its columns, the proprietor gave up a part of his office room to the exhibition of the products of the Valley, and urgently asked for specimens of actual growth and for everyl dy to call and inspect them. Attached to each specimen was the name of the producer, often with the mode of cultivation. This was a Any of the foregoing works will be supplied tangible, practical presentation of the matter, which any one could verify. How successful this movement has been, hundreds can testify EVERGREENS, All THE HERALD asks in return for itsefforts to serve the people, is ROBERT BONNER'S SONS, LR GRR BULLING, Cer. William and Springers. New York. an increase of public patronage-a modest request when it is considered that it returns to each patron more than his money's worth. If each resident ofthe Harney country will subscribe or renew for simself and take one or more copies to send abroad, it will so extend THE HERALD's sphere of usefulness as to enable all to claim that it Is a true Advocate of the Harney Country.

THE HERALD presents unusual advantages. It is centrally located in NUTS, FRUITS We will soon have direct railroad communication with rtland and the East. Live business men of both sections should rates, proportioned to its circulation, are reasonable.
