

**OVERTEENERS.**  
 A choice display of Japanese novelties at the Gage Sisters. 3-51  
 —Att. W. W. Cardwell returned Sunday afternoon from Vale, where he was interested in a land contest.  
 —Business men, when you want nice comfortable parlors to write in, or enjoy a good cigar, call at the French Hotel.  
 —"United we stand divided we fall," is the brand of whiskey sold by Henry Long. Best in the market. Try it.  
 —The schoolmates of Jessie Caldwell, are glad to learn that she is now convalescent, and will soon be able to be with them again in the schoolroom.  
 —If you desire to purchase a durable, guaranteed organ or piano, call on Prof. E. A. McCoy, he is agent for several reliable firms and will most assuredly suit you both in price and style.  
 —H. C. Levens, of Burns, came in Tuesday on his way to Southern Oregon. He left on Wednesday's train. He is very favorably impressed with Heppner.—Heppner Gazette.  
 —The O. C. Co., at Huntington, are the leading General Merchants on the railroad. Their increasing business is evidence of their popularity and square dealing with their customers.  
 —We will send the Mammoth Cyclopaedia, complete in four volumes, postage prepaid, and the EAST OREGON HERALD, for one year, upon the receipt of \$3.00. By making this offer we, too, increase largely our subscription list.  
 —Just received at the Hardware store of Cal Geer. A full supply of the much coveted Buck's cooking stove. Remember it is the best stove in use, and all places where this patent has been tried, no other brand can be sold.  
 —Stock of all kinds are in much better condition to endure the coming winter than they were at this time last year. Hay is more plentiful, and the general outlook for prosperous times in northern Grant is very encouraging.—Eagle.  
 —The Vale papers fail to mention anything about the necessity of a bridge at the Agency on the Vale, Huntington, Ontario and Burns road. We presume it is of little importance to them. They think the trade of Harney do not amount to much.  
 —Joe Lane, J. T. Shuman, and J. C. Parker visited last week, the lower Island country, around Harney and Mallard lakes. All of them are very much pleased with that country, and agree in saying there is a fine crop of unsurveyed land near the lakes.  
 —Remember our great offer to subscribers to the HERALD. We will send the entire set of Dickens Works, consisting of 12 vol. postage prepaid, and the HERALD for one year, for \$3.10 cents. This is one of the grandest premiums ever offered to subscribers. Remit by registered mail or call at the HERALD office, Burns, Oregon.  
 —Notice our offer of Premiums. We propose to send to every one of our subscribers who gets us a dollar cash subscriber, 25 good novels, or if in addition to the amount paid for our paper, you give or send us 50 cents to pay postage, we will have sent to your address the Mammoth Cyclopaedia, in four large volumes; a very valuable book; or 6 cents we will give Dickens' works, containing 12 volumes.  
 —The next issue of THE HERALD closes its third year. In order to have a correct understanding with our subscribers, we wish to make the following statement: When we bought THE HERALD, of D. L. Grace all unpaid subscriptions or indebtedness to THE HERALD previous to Nov. 20th 1899 was due Prof. Grace; all unpaid subscription due THE HERALD, after the date already mentioned, should be paid to us. The advertising was due him up to March 1st 1900; after that time it is due us. And furthermore we wish to state we have never sent any bills or orders, until in the last few days, in cases where subscribers have expired we have sent amount of bill and requested a renewal of subscription. It takes money to run a newspaper, and of course money is very acceptable. We hope all of our subscribers will continue to take the paper, and to those who have not paid, we do not consider there is anything wrong in mentioning the fact that we are in need of the money, and would like to get it.  
 —Tex's Saloon is the "boss."  
 —Everybody goes to Tex's Saloon.  
 —Notice the premiums offered by THE HERALD.  
 —Ed. Abbott, who was once a resident of our town, is here on a visit this week.  
 —HERALD is only \$2.50 a year now is the time to subscribe to a live local newspaper.  
 —Subscriptions for all newspapers and periodicals taken at the postoffice at publishers rates.  
 —Mrs. Martin and her son Ed, who have been on the sick list for some time, are now convalescent.  
 —Send in your subscriptions, remember for every two cash subscribers, you get 25 No. 1 novel prize.  
 —We guess the effort and start, to improve the Burns cemetery will die, for want of a few dollars to carry on the work.  
 —The HERALD had the pleasure of entertaining Mesdames Harris and Riggs for a few moments yesterday afternoon.  
 —Miss. Mollie Lehman Deputy County School Superintendent dismissed school for this week to visit the schools of the county.  
 —Albert Reinman, who has been living on the M Gowen farm which was purchased by him and Chas. Vegley last spring, moved last week to his farm on the Island.  
 —Henry Long lost his money and checks, but still he has a supply of the best liquors the market affords and with Bozy behind the bar we hope he will soon replenish the "till"  
 —The Rev. M. D. Wilson has been appointed, to the work on the Burns circuit, by the Presiding Elder. He will preach at the M. E. church at Burns, the first and third Sundays in each month, at 11 o'clock a. m., and at 7 o'clock p. m.  
 —We read in the Long Creek Eagle that the dreaded disease, diphtheria, has made its appearance in that town. No deaths have occurred from it up to that date. The doctors were doing their utmost to prevent the spread of the disease.  
 —We are informed by Pearl Geer that his brother, Irwin Geer, who went to Baker City some time ago in company with his father and sister Ida, was taken with typhoid fever at Baker city, and it will be some time before he is able to come home.  
 —The story that Chas. L. Graham of Eight Mile, has invented a lamp which burns a chemical at little cost, and giving out a light equaling the electric, has good foundation. Mr. Graham has invented such a lamp, and applied for patent.—Heppner Gazette.  
 —Notice the card of A. Robbins in this week's issue. He buys for cash and of course can sell for lower prices than if he bought on time, because in buying on time he would have more to pay for his goods, and he is going to sell for cash, only. Consequently will sell for less than if he sold on credit.  
 —Little Mabel Cavin, daughter of Dude and Julia Cavin, is suffering from partial paralysis effecting one whole side. It is supposed it was caused by a fall, the child when she first began to complain, said she fell from a fence and hurt herself. She is under the care of Drs. Ashford & Boyd and is improving.  
 —If you want THE HERALD and any of the following papers for one year, call at this office and you will be astonished how cheap you can get them. The S. F. Examiner, S. F. Call, S. F. Bulletin, National Democrat, Detroit Free Press, Toledo Blade, Portland World, and various other papers, also, different magazines and story papers; all of Harper & Bro's. works; in fact anything in the reading line you can call for.  
 —Someone in Burns, last Monday, who was not acquainted with the commandment "thou shalt not steal" or did not regard it enjoined from the coat pocket of Henry Long, in checks and cash about \$290. The coat was hanging on a nail against the wall in his saloon. When Henry found himself robbed of his little ready cash and checks, he said "steal" and a great many other inventive words only in "good" men's vocabularies; and would return by declaring if the "cuss" would return the checks, he would make him a present of the cash, and ask no questions, by which he meant he would not prosecute the thief.
