the bill that passed the House. Chairman Dunnell of the Cener

committee said to your correspond- society. ent that the committee would begin consideration of the apportionment bill next week, and that he did not doubt but that it would be before the House before the Christmas holidays. He was of the opinion that the question raised by New beautiful and varied, and its literaparation of the apportionment bill, all being suited to the season. for if it should be decided after fair and full consideration that New York City's claim was just, the matter could be fixed so as to give New York the membership to which she was entitled. I find from numerous conversations with prominent democrats that the latter will not agree to an apportionment that will keep the House at its present membership of 332. They would lose eight members; one in Maryland, Virginia. Kentuckey, Tennessee, S. Carolina and Indiana, and two in New York, while they would gain one each in Arkansas, New Jersey and Texas. On the
