Two Papers a Week for a Dollar a Year.
The "Twice-a-week" Edition of The St. Louis Republic is at once the best and cheapest news journal in the world. It is a big seven-column paper, containing six to eight pages each issue, or 12 to 16 every week, and is mailed every Tuesday and Friday. Its readers get the news of the day almost as promptly and fully as the readers of a Daily and half a week ahead of any Weekly in every State in the Union. Yet the price is only one dollar a Year. Special Missouri, Illinois and Texas Editions are printed, and a general Edition for other States contains nothing but details of important events of interest everywhere. The Republic is the leading Democratic paper of the country aggressive, but at the same time liberal, and the only thoroughly national journal in the whole country. Remember the price is only one dollar a year. Sample copies, also an illustrated Premium Catalogue, sent free on application. Address The Republic, St. Louis, Mo.

Life of Sitting Bull and the Indian War.
The Life of Sitting Bull and the Indian War, is the title of a new work by the famous writer and lecturer, W. Fletcher Johnson, Author of "The Johnstown Flood." The fever heat to which public excitement has been aroused by reason of the pending Indian War, makes the publication of this great work one of special interest and importance, and every patriotic American should read it. The book comprises a graphic and fascinating story of the greatest Indian Nation; a full and authentic life of Sitting Bull, the foremost of American Indians; a vivid and realistic description of the Messiah Craze and Ghost dance, and a full history of the great Indian War of 1890-91. The volume teems with incidents more thrilling than romance, and fully establishes the fact that "truth is stronger than fiction." In it are to be found in all their wild reality and vivid savagery, a living history of the Sioux Nation, from the earliest time to the present day; graphic descriptions of their peculiar manners and strange customs; their disgusting dog feasts and weird dances, their religious beliefs and ceremonies, etc., etc. General Miles General Custer, Buffalo Bill, Sitting Bull, Red Cloud, White Eagle, etc., etc., are prominent figures in the thrilling and blood-curdling story. The book, which is profusely illustrated throughout, is gotten up in the finest style of the book-makers' art, and reflects the greatest credit on all concerned in its production. We predict for it an enormous sale. It is sold by subscription. The General Agents for the Pacific Coast are the well-known, enterprising house, the Pacific Publishing Co., San Francisco and Portland. See their advertisement in another column.

Notice.
Whether on pleasure bent or business, should take on every trip a bottle of Syrup of Figs, as it acts most pleasantly and effectually on the kidneys, liver and bowels, preventing fevers, headaches and other forms of sickness. For sale in 50c. and \$1.00 bottles by all leading druggists. 4-11

Notice.
The apportionment bill for wagon roads were defeated by the veto of Gov. Penoyer. The reapportionment bill failed to pass. By the terms of that bill Harney and Grant would have elected a Senator jointly and each county would have had its own representative. Raley's irrigation bill will be of benefit to Eastern Oregon. Our State legislature and Governor takes pleasure in forgetting that we on the frontier exist.

Notice.
It was Ben Johnson, we believe, who, when asked Mallock's question "Is life worth living?" replied, "That depends on the liver." And Ben Johnson doubtless saw the double point to the pun. The liver active—quick—life rosy, everything bright, mountains of trouble melt like mountains of snow. The liver sluggish—life dull, everything blue, molehills of worry rise into mountains of anxiety, and as a result—sick headache, dizziness, constipation. Two ways are open. Cure permanently, or relieve temporarily. Take a pill and suffer, or take a pill and get well. Shock the system by an overdose, or coax it by a mild pleasant way. Dr. Pierce's Pleasant Pellets are the mild means. They work effectively, without pain, and leave the system strong. One, little, sugar-coated pellet is enough, although a whole vial costs but twenty-five cents.

Notice.
Mild, gentle, soothing and healing is Dr. Sage's Catarrh Remedy. Only fifty cents; by druggists.
