Crane Creek.

Hay and grain crops are looking fine especially the crops of F. C. Fisher, E. A. Stauffer and Grant Thompson.

John Barr and William King passed up to day on their way to the county seat. Both of these gentlemen will, in a few days, leave for Poulouise. They are rather downhearted, because the Crane Creek "Daisy" left them in the lurch.

Swamp Creek Items.

The Whittier Bros. are through shearing.

The Whittier Bros', "bouncer," Willie Gray, got on the war path, a few days since, and invited three of the shearers out of the sheep pen, but the boys receiving the challenge were too wise to accept. They were not in the humor to face the hammer of death, swung on the axletree of the world.

James Newcomen received a frightful scare from an illegal U. S. detective and left for Diamond on a long trot.

WHAT DO YOU THINK?

Nails only cost you \$7.75 per 100 lbs at Geers and everything else in the same proportion. I have as good selected stock as you will find in any rail road town in Eastern Oregon and am bound to sell it off. Call and see me and I will astonish you with low prices if you bring the cash.
