Board of Trade.

All persons feeling an interest in the growth and welfare of the county, are invited to attend at the church, in Burns, August 29, 1891, and if possible, organize a Board of Trade, and devise ways and means of properly advertising the resources and opportunities of the county. Every other county in the state is attracting the attention of home seekers from abroad, and none more advantageously situated than Harney county. We have more arable lands awaiting settlement than any other county in Eastern Oregon; but who knows it outside of the comparative few now located here? It looks like selfishness on the part of those here, to remain silent and inactive longer. Let the world know of the wonderful range and farm lands of this county, 10600 square miles of territory monopolized by 2500 men women and children all told. Let us organize and advertise.
