From Van.

VAN Sept. 18, 1891.

On the 16th day of the 9th month, while the thrashers were gathered together, at the ranch of one named Johnson, it came to pass, that a great contention arose between Samuel Jenkins (whose surname is J. L. Sullivan, he being the champion pie biter of Oregon,) and Frank Stice, an Israelite, (he being a descendant of the black sheep of Israel.) Whereupon J. L. S. commanded the Israelite to "get in and rustle," and the Israelite recommended J. L. S. to emigrate to a tropical climate; then did J. L. S. grow very wroth and called out saying: "Get thee down from the stack and hit me if thou durst!" then did the Israelite display great agility and without the aid of a parachute, he descended and immediately took his fist from the eye of J. L. S., causing it to assume a beautiful navy blue color; then did J. L. S. exhibit his great strength, and embrace his adversary inasmuch that they both fell the earth. Then did the Wise Men gather together and exhort them to rise and they arose. Then did the Israelite wax wild and he called out to the crowd: "Ho! ye sons of dogs! come out to me that I may break every bone in thine ear." Then did Walt (whose surname is Caps, which is plural he being a twin,) accommodate the Israelite and he fell over a wagon-tongue. Whereupon a great calm came over them all, and the Israelite gaffled his cayuse and departed and the remaining Calamities, Wolfites and Vanites congregated together on a panel of barbed-wire fence and conjectured on the probability of the Moon slipping over on the earth before supper. Deafness Can't be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored again, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that we cannot cure by taking Hall's Catarrh Cure. Send for circulars, free.
