WEBNESDAY SEPTEMBER 30, 1891.

W. C. BYRD. - - - - . Editor.

THE vacation season being about over the administration has returned to Washington to continue its hard work in behalf of the nomination and election of Mr. Benjamin Harrison for a second term. They are ali at work except Mr. Blaine and he is expected soon, and Secretary Proctor who is taking his last op portunity of a pleasure jaunt at the expense of the people by going on an "ansp ction tour" of the Western Military posts, but he has spent so little time in Washington since he became a member of the cabinet that his absence doesn't count.

THE Russian bear seems to be engaged in toning up his appetite preparatory to devouring Turkey, with or without the consent of the rest of Europe. Upon several occasions in the past when the conditions were much as they are now the British hon has stepped between the bear and his proposed victim just in time. Will be do so again? is now the question of questions with those deeply interested in European af-

FRED Douglass having lost his office, and seeing no chance to get another one, announces his with drawal from politics just as his white brothers have done under similar circumstances. Who says the negro is not advancing?

This administration believes in shouting for civil service reform while it winks at the open violation of the law in behalf of its friends by Federal officials.

Fassett as an easy man to defeat lowed to follow their own impulses. for the governorship of New York. The streets leading from the depot It will be sufficient for the people were alive with delegates from the to know that he is Tom Platt's time of the first train, and soon the man.

It is estimated that at least \$50,-000,000 of the governments paper money supposed to be in circulation has been lost or destroyed.

Governor Campbell's Opening.

In his speech at Tidney, Governor Campbell has gratified his friends and disappointed his enemies. He has made a strong opening for the Democratic campaign in Ohio, and by following it out strongly he can carry the state. He must remember that everything now depends on him because it is on him that the party must unite. He has an aggressive platform behind him, and making his campaign as aggressive as the platform he can carry the state, as he could not possibly carry it otherwise. If he makes his fight as strong as his platform he can carry not only the Democratic vote of Ohio, but the votes of many who have not heretofore acted with the Democratic party. There will be some loss, of course. Mr. Campbell has made enemies among men who call themselves Democrats: but Trueman made the same enem.es, and so did Pendleton. It is useless to waste time on them. The appeal must be made, not to them, but to the people of the state. It's not nearly somuch a matter of educating them as it is of leading them. Give Physician and Surgeon, them leadership, and they will overthrow John Sherman and McKiney together. It is easier to beat them both together than it would to defeat them singly. The Democratic platform will beat them both f it is fought out in the campaign. And it is quite evident that both must be beaten or neither. By tying himself to Sherman now McKinley has greatly weakened himself, for in the past he has condemned Sherman's fraudulant finance as clearly by his vote in the ast Congress Sherman condemned he folly of the McKinley bill. The Democratic platform makes a felling attack on both McKinsey and Sherman, and if the Ohio Democrats cannot succeed on that platform they cannot succeed at ali.

Malaria

is believed to be caused by poisonous miasms arising from low, marshy land or from decaying vegetable matter, and which, breathed into the lungs, enter and poison the blood. If a healthy condition of the blood is maintained by taking Hood's Sarsaparilla, one is much less liable to malaria, and Hood's Sarsaparilla has cured many severe cases of this distressing affection.

A Wonderful Medicine.

"For malaria I think Hood's Sarsaparilla has no equal. It has kept my children well right through the summer, and we live in one of the worst places for malana in Marysville. I take Hood's Sarsaparilla for that all gone feeling, with great benefit." Mas. B. F. Davis, Marysville, Cal.

Break-Bone Fever.

"My daughter Pearl was taken with dengue (or break-bone) fever 2 years arm, and my friends thought I would lose her. I had almost given up hope until she began to take Hood's Sarsa parilla. She took four bottles in four months. and gained 15 pounds. I thank Hood's Sarsaparilla for giving her back to me restored to ealth and strength." JULIA A. KING, Sher-
