CONFIRMED.

duced on the first appearance of the
agreeable liquid fruit remedy Syrup

it, and the success of the proprie-

Deafness Can't be Cured

by local applications, as they can-
not reach the diseased portion of the
ear. There is only one way to cure
deafness, and that is by constitu-
tional remedies. Deafness caused
by an inflamed condition of the
mucous lining of the Eustachian
Tube. When this tube gets inflam-
ed you have a rumbling sound
or imperfect hearing, and when it
is entirely closed, Deafness is the re-
sult, and unless the inflammation
can be taken out and this tube re-
stored again, hearing will be
destroyed forever; nine cases out of
ten are caused by catarrh, which is
nothing but an inflamed condition
of the mucous surfaces.

We will give One Hundred Dol-
lars for any case of Deafness (caused
by catarrh) that we cannot cure by
taking Hall's Catarrh Cure. Send
for circulars, free.
