### A Missouri Preachers Prayer.

A Macon (Mo.) minister has some erring lambs of the flock that wander off on Sunday excursions occasionally. This is from his prayer in a recent service: "O Lord, we pray that the excursion train going east on the Hannibal & St. Joseph railroad this morning may not run off the track and kill any church members that may be on board. Church members on Sunday excursions are not in a condition to die; and in addition to this, it is embarrassing to a minister to officiate at the funeral of a member of the church who has been killed on Sunday excursions. Keep the train on the track and preserve it from any calamity, that all church members among the excursionists may have an opportunity for repentance, that their sins may be forgiven for Christ's sake."
