

A Clever Bit of Work

— BY AN —

AUTHOR OF WIDE REPUTATION.

This story is one of the rarest treats we have ever been able to offer to our readers. It depicts in eloquent language features of Western mining life which appeal directly to the imagination as well as the heart. Through it runs a tale of love, remarkably strong both in conception and execution.

A Romance of Las Chertitas

Is not an ordinary, sentimental love story. It teaches a moral of grand beauty; and consequently is a SAFE STORY—one from whose perusal the young as well as the old can draw a wholesome lesson.

Consumption Cured.

A old physician, retired from practice having had placed in his hands by an East India Missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all Throat and Lung affections, a safe, positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his fellow suffering fellows. Actuated by this motive and a desire to relieve human suffering I will send, free of charge, to all who desire it, this recipe, in German, French, or English, with full directions for using, sent by mail addressing with stamp, naming this paper.

A Lost Child.

EDITOR:—I am trying to find my father. I am told his name is James E. Bailey. I have no recollection of him, nor do I remember that I ever looked on the face of a relative. My mother died fifteen years ago in Boone county, Iowa, when I was only a year old. Shortly after mother's death I was adopted by a neighbor named Morgan. When I was eight years old we moved to Nebraska, and at this time father seems to have lost track of me. I understand that he endeavored to find me, but was basely led by an interested party, to believe that I was dead. I have only recently learned that the Morgans were not my parents. I am passing my life among strangers. They are nothing to me; I am nothing to them. She thought makes me homesick and lonely and sad. I believe my own dear father is living, somewhere in this wide wide world, and if he is, I mean to find him. You can assist me if you will; but I can offer you no reward, at present, except my gratitude and my blessing. If you are unable to give me any information regarding my father, please help me to publish and circulate this notice and oblige.

Sincerely yours,
RETA BAILEY,
San Bernardino, Calif.

Dyspepsia

Makes many lives miserable, and often leads to self-destruction. Distress after eating, sick headache, heartburn, sour stomach, mental depression, etc., are caused by this very common and increasing disease. Hood's Sarsaparilla tones the stomach, creates an appetite, promotes digestion, relieves headache, clears the mud and cures dyspepsia.

In a Terrible Condition.

"I owe my life to Hood's Sarsaparilla. For two years I was in a terrible condition with dyspepsia. I could eat nothing but soda crackers, and my weight fell from 170 to 128 pounds. Hood's Sarsaparilla helped me at once, and after using 12 bottles I was entirely cured. I have gained my usual weight, 170 pounds, and have had excellent health ever since." T. J. Wilcox, 20-21 1st South Street, Salt Lake City, Utah.

Headache—Hot Flashes.

"I had headache, hot flashes, soreness and swelling across my body, pain in my right side, with frequent vomiting. I used Hood's Sarsaparilla with the best results. I am in better health than for four years. Hood's Sarsaparilla is safe, reliable and sure." J. C. Willison, Auburn, Cal.
