Official County Paper.

Local News.

—Tom and Jerry at the Elite Saloon.

—Geo. Williams of Silver Creek was in town last night.

—Go to the Saloon of Richardson & Lewis for the best wines, liquors and cigars.

—All those interested in a Christmas tree are requested to meet at the M. E. church, next Saturday evening at 7 o'clock P. M.

—Mrs. Stephens, who has been here visiting her daughter Mrs. Vaughn, for several months, left on the stage Tuesday morning for her home in Chicago.

—O. B. Whitmore, Grand Official Instructor of the A. O. U. W. gave a lecture in the M. E. church, in this place, last Sunday evening, titled "That Dog," which was very interesting.

—In our exchanges we notice the following named gentlemen spoken of for Congressional honors; Honorable W. R. Ellis, A. S. Bennett, Henry Blackman and J. H. Raley of Eastern Oregon. This section should be in the "swim," and demand one or the other, the Senator or Representative.

—It is supposed that M. D. Baldwin of Eugene committed suicide, by jumping from the bridge into the river. He had been despondent for several days previous to his disappearance is the reason given for believing him to have taken his life. At last accounts men were dragging the river in search of the body.

—Secret organizations are pretty well represented in our town considering the number of inhabitants: We have the I. O. O. F., the Free Masons, the A. O. U. W., the Rebeccas, the Degree of Honor, the G. A. R., and the Republican Club, which we guess is "kinder" secret, at least, we were told Democrats were not allowed.

—All notes and accounts now due to the Cal Geer hardware store can be paid to R. L. Sabin, Assaignee, Portland Oregon, Drawer No. 31, before January 1, 1892. After that time all unpaid notes and accounts will be placed in the hands of an attorney with instructions to collect forthwith.

F. S. PEET.
Receiver.

—We are having a light blizzard, the first "well" of bad "speather" we have had this fall.

—We noticed on our streets several parties from Harney, among them were Attorney Hayes, Messrs. Loggan, Haines and Bain.

—Inadvertently we neglected, in the last issue, in publishing the organization of a lodge of the order of A. O. U. W., and giving the names of the officers, to mention the office of P. M. W. to which Capt. H. Kelley was elected.

—Judge M. D. Clifford will preside at the coming term of circuit court for Baker county to convene at the county seat on the 7th of next month. Judge Clifford is without doubt one of the ablest circuit Judges in the state.—Huntington Herald.

—We are having Att'y Sizemore settle some of the accounts of the EAST OREGON HERALD. We do not wish the parties interested to understand this to be any reflection on their financial standing, or ability to pay, but we simply wish to close the accounts by cash or notes.

—FOR SALE—Three lots with a fair business building on one, situated in Burns on main street. The price asked is low considering the advantageous position of the lots for business. Terms cash. For further particulars call on W. C. Byrd & W. Y. King Real Estate Agents Burns Oregon.

—The Boot and Shoe store of Lunenburg and Fry keeps constantly on hand a full stock of everything in their line. A splendid assortment of winter wear just received including over-shoes, rubber-boots, etc., etc. Don't fail to call and price their goods before buying elsewhere.

HAY AND PASTURE—Hay for sale with pasture gratis. Marion Bunday, six miles south of Burns, offers to sell from 150 to 300 tons of hay at three dollars a ton with good pasture thrown in. The pasture is sufficient without feeding any hay until deep snow. He also offers the privilege of feeding on the premises. Water plenty.

—AN ADVANTAGEOUS PROPOSAL—In order to secure more subscribers and as an incentive to pay up to those in arrears, we offer the EAST OREGON HERALD and the Rural Northwest a semi-monthly journal for the farmer and stock men for \$2.50. That is we offer as a premium the Rural Northwest to cash subscribers and those in arrears who will pay up and one year in advance.

—The HERALD will take wood, wheat and vegetables on subscription.

—Ladies domet flannel blouses 75cts. The Ellen Terry hairpins 10cts. a box at the Millinery Store.

—BRING IN YOUR WHEAT.—John Sayer announces he will grind your wheat at a half cent a pound, or fifty cents per hundred and guarantees good flour from good wheat.

—GRAIN.—The following figures show the amount of the grain crop in Harney county, as reported by Chas. Zeigler, our County Agricultural Statistician: Wheat, 26,511; oats, 25,200; barley, 23,936. Total, 75,647 bushels.

—The financial condition of Umatilla county is in good condition. The increase in total taxable property amounts to over six million dollars and the levy this year for county purposes is only ten mills or one-third less than a year ago. A total levy of twenty mills will be collected, payable half in cash and half in scrip. The additional ten mills is for state taxes, school purposes, and the several funds, militia, university, indigent soldier, etc. If it transpires to be in excess of the levy made by the state for these purposes, which last year was 9½ mills, the difference will be used by the county in the redemption of outstanding warrants.

A Strange Chicken Roost.

On Dr. Phinizy's place in Columbia county, says the Atlanta Constitution, there lives a negro named Johnson Lowe. He is pretty well supplied with chickens, but, as he says, "they are the most peculiar chickens he ever did see." They lay and hatch like other chickens, but in a very novel way. In the yard are seven or eight china-berry trees, and in each of these the hens have built their nests. Some of them are twelve and fifteen feet from the ground. One old frizzly hen set the example, flying into the tree with dry grass, twigs etc. and building her nest in the crotch. Straightway three or four others did likewise, and now they wont lay any where else. When the young ones are hatched out they soon climb over the edge and fall to the ground, after which they are cared for by Lowe's wife. People for miles around drive there in order to witness the strange sights.
