WEDNESDAY MARCH 13, 1892.

HAS LARGEST CIRCULATION OF ANY NEWSPAPER IN THIS COUNTY.

Local News.

—Primaries next Saturday.
—We are having cloudy, rainy, disagreeable weather.
G. W. Wilshire, of Blitzen, was in town two days last week.
—W. H. Hogan and wife, of Silver Creek, were over at our "leap year ball."
—Who said you couldn't get a good flavored cigar in town for five cents? Call at the City Drug Store and inquire.
—John Martin, three miles north of Burns, on Silvies river, has for sale excellent seed rye at 2cts. per pound.

—J. J. Pierson invites those desiring pictures to call on him immediately as he expects to leave Burns in a few days.

—Frank Jordan is now prepared to do any and all kinds of cabinet work; any one in need of furniture will do well to call and see him.

—A telegram received by Tom Stephens from Roseburg, gives the news of the killing of Abe Hansborough by Nick Jones on the evening of the 17th inst.

—NOTICE—Peter Clemens, who resides about 7 miles east of Burns, offers for sale seed wheat of the variety known as the White Australian wheat, at 1 1/2 cents per lb.

—The members of Burnonia Lodge, who were prevented by providential hinderances from attending and partaking of the excellent supper given by Mrs. Racine, appreciate her friendship and kindness as shown by her liberal distribution of cake the day following the ball.

—Why is it necessary to put a third party ticket in the field, when the prime movers in the cause acknowledge that the candidates of both old parties already announced are good representative men? Do the third party advocates expect by so doing to better their political condition?

—The Prineville, Dalles stage was held up a few days since by masked men, and a chinaman, Ah Doon, proprietor of the Prineville Hotel, who was a passenger was taken out and severely cuffed, and told to leave the country immediately and take all chinese residents of Crook county with him.

—Messrs.—Kidd, Lucas, Cummins and Horton of Diamond Valley were in town this week.

—Mel Fenwick informs us that Geo. McGowan has sold his band of horses which was in his care (Fenwick's) to an Idaho man who will be here in a few days to receive them.

—Parties, who fail to find such goods as they desire in our town, will please remember the O. C. Co. Huntington Oregon. This firm guarantees satisfaction both in price and quality.

—Robert Baker and W. H. Hogan announce that preparations are being made by them to receive and care for the defeated candidates of both parties. Mr. Baker's corral can accommodate at least two hundred and W. H. Hogan's one hundred, both corrals situated on the head waters of whistle river in the confines of the jurisdiction of Harney county. A quiet secluded spot where gentle zephyrs play amid the pine tops and the beautiful animal, known as the coyote, reigns supreme.

—The "leap year ball" last Thursday evening, which was gotten up and controlled by the Burnonia Lodge of Burns, was an entire success, far surpassing anything of the kind ever attempted in our town. The lodge is new—only organized in the latter part of last November, but has been a success in every particular, the lady members taking an active interest in every thing pertaining to the advancement and good of their order. The supper at the French Hotel was justly pronounced, by those present, superior to any ever set before hungry guests in the town of Burns.

Notice is hereby given that by virtue of an execution issued out of the county court of the State of Oregon for Harney county, and to me directed and delivered upon a judgement therein rendered and entered in said court on the 10th day of March, A. D. 1892, at public auction to the highest bidder for cash in hand, the proceeds to be applied in satisfaction of said execution and all costs.

Witness my hand this 15th day of March, A. D. 1892.

When we advised prudence—gently speaking—not to bore, they knocked the harder, yes, knocked like thunder! more and more. We were utterly confounded and dumbfounded, when told another paper was in store. The likes of which in pith, substance and strength, never before graced Burns, Harney, or any other town, and in the uproar, the g. o. p's and b. d's, will go up the flume. We say nevermore.
