OUR NEIGHBORS.

Clippings from our Neighboring Exchanges.

A quiet listener will occasionally hear a remark something like this, almost any number of times a day. "If it was a sure thing that a railroad would be built, I would have some confidence in the future of this country, but I'll never believe that a road will be built through here until I see the cars coming." The boiled down concentrated ignorance that this sentence expresses is sufficient, to excite both wonder and pity. The railroad is surely coming before many years, and those who have confidence enough in it to prepare for its reception, will reap the benefit it will be to the country and the croakers will still have nothing to do but croak. Improve your farms and be ready for that great day.—Canyon News.

FOR THE benefit of a few dissatisfied voters, who take exceptions to our candidate on the democratic ticket for sheriff, P. F. Stenger, for testifying before the McNamee commission, regarding the Willamette Military Wagon Road, we publish below a short letter received from Messrs. Williams & Woods, the attorneys for that company. We will first state that Mr. Stenger wrote them requesting the evidence in full as on file in their office at Portland.

MR. P. F. STENGER,
BURNS OREGON.

Dear Sir: Referring to yours of the 27th inst., we enclose herewith a copy of the testimony which you gave before the McNamee commission. As we remembered, it did not do us much good, and did not hurt the other side. It is all right however, and we hope it will be the means of helping you now.

Yours truly
WILLIAMS & WOODS.

Mr. Stenger has a copy of the evidence he gave, and at his request we read it in full. We would gladly publish it if it were not so lengthy, but we can assure our readers that there is not a sentence or word that can possibly injure in any way a settler in this county. He will gladly show it to any voter so that he may read for himself and judge its purport. He also takes the opportunity granted through the columns of the HERALD to inform the people that all other evidence he has given in land contests can be seen here in Burns and he will take pleasure in showing this evidence to anyone who thinks he has testified adversely to the interest of the settlers.

Lawen Items.

LAWEN, May 17.

ED. HERALD: We are having more water than we expected, and a regular web-foot spring.

Mrs. Morrell has been visiting several days with Mrs. Porter.

L. Sitz and Henry Lyons got home last Saturday from their mines. They claim they have entirely too much water to work the mines advantageously.

Mr. Geo. Fry and L. Sitz are the

guests of Mrs. Porter; also Mr. Moore, brother of Mrs. Porter's father from The Dalles.

R. J. Ivers arrived home last Saturday from the railroad. He says it is a new road all the way about 10 inches under the old one.

Almost everyone is out shearing sheep.

J. P. Dickenson has been for the past week having regular chills and fever; something unusual for this climate.

The health of our neighborhood is good.

Applicants from our vicinity for school certificates, Mr. Robt. Lehman, Miss Eva Swain and Miss Rose Dickenson, all succeeded in securing good certificates and are now happy.

Mrs. Chas. Nuble, of Idaho, formerly of this county, is visiting relatives here.

The genial phiz of M. R. Biggs, candidate for representative, was in our vicinity a few days since.

—Teachers Examining Board held at Burns school house last week. The following is a list of the successful applicants: Misses, Belle Clendenon, Eva Swain, Rose Dickenson, Clara Rutherford, and Nannie Walls. Mrs. Adelaide Cross, Messrs, Eugene Boon, R. Lehman and Henry Miller.

—In this issue we publish a certificate given by W. C. Evans, who was county clerk at that time of Crawford County Mo., to Prof. D. L. Grace, recognizing his worth, ability and efficiency as an educator. The voters of this county would make a very grave mistake by defeating Prof. Grace our candidate for county school superintendent. He is in every particular qualified for the position, and a great worker in behalf of education. Our citizens should consider themselves very lucky indeed to get a man of his experience to accept the office of school superintendent.

"When My Ship Comes Over the Sea" as sung by Denman Thompson's Quartette in "The Old Homestead" is the latest musical hit by the Popular Song Writer, Will L. Thompson. Price, seventy five cents. Published by Will L. Thompson & Co., 259 Wabash Ave., Chicago.

A Pioneer's Experience With Hood's Sarsaparilla.

"I am a pioneer in this country, having been here 30 years. Four years ago my little son Elery became blood poisoned by impure virus in vaccination. His arm swelled terribly, causing great agony. Physicians said the arm must be amputated, and even then his recovery would be doubtful. One day I read about a blood purifier new to me, and was surprised to learn that it was prepared by C. I. Hood, with whom I used to go to school in Chelsea, Vt. I decided to have my boy try Hood's Sarsaparilla, and was much gratified when it seemed to help him. He continued to grow better as we gave him the Sarsaparilla, and having used 8 bottles is now entirely cured. As Hood's Sarsaparilla has accomplished such wonderful results, I recommend it all I possibly can." JENNIE M. SLEEPER, Upper Lake, Lake Co., Cal.

The City Treasurer

Of Lowell, Mass., says: "The above is from my brother, whose signature I recognized. I am also glad to testify to the excellence of Hood's Sarsaparilla, and to say that C. I. Hood & Co are considered one of the most reliable firms in New England." VAN R. SLEEPER, City Treasurer, Lowell, Mass.
