—BRING IN YOUR WHEAT.—John Mayer announces he will grind your wheat at a half cent a pound, or fifty cents per hundred and guarantees good flour from good wheat.

—All ye thirsty souls who long for a refreshing draught, don't stand on the order of going, but go, and go quick to Frank Lewis and Henry Richardson's saloon, and slake your thirst.

—BORN.—To the wife of J. G. Ostermier, Monday the 6th inst, a boy. The father wanted to vote him for the democratic ticket "straight" but the peoples party objected.

—We learn from a reliable source that each of the branch organizations of the peoples party were notified from headquarters a day or two before the election for whom to vote. How does this strike the democracy of Harney? Will we organize clubs in the different precincts or will we still pursue the slipshod course we have heretofore?

—The fourth will soon be here. Is Burns "in it" this year?

—Messrs. Ward and Drake of the Happy Valley country are in town.

—Every-body can not get an office, still that fact does not prohibit one from trying.

—Miss Daisie Robertson of Drewsey is in Burns visiting her sister Mrs. H. E. Thompson.

—Burns is "in it" when it comes to a large assortment of dry goods, groceries, boots, shoes, hardware, tinware etc.

—Ho! For the boot and shoe store. Boots and shoes so "cheap as never was I told you." Fred Lunaburg and George Fry.

—Don't forget when in town that Lee Caldwell keeps the best of liquors and cigars behind the bar, ready to dispense to his many customers.

—I sincerely thank all who contributed to the organ fund for the purchase of an organ for the M. E. church in this place. Amount raised \$50.

MRS. M. HARKEY.

—The buzz of dissatisfaction is everywhere in the air, caused by disappointment in election of choice for county officers and the "ifs" and "ands" and "whys" and "wherefores" are heard on every corner.

—Complete returns of the election have not yet been received from the different county precincts, consequently we can only give a report from a part of them and this report is probably not altogether correct.

—Present indications of the result of our election are favorable to P. L. Shideler for clerk, Al Gittings sheriff, Thos. Walls commissioner, Sam Miller assessor, Irwin Geer treasurer, J. Neal surveyor, Chas. Newell school superintendent.

—The well known imported English-shire and Suffolk punch Stallion owned by Jim Mahon will be at the following places during the season. Monday at Harney; Tuesday and Wednesday at Burns; Thursday and Friday at Lawen; Saturdays and Sundays at home. One of his colts 18 months old can be seen at any time, at the White Front livery stable in Burns.

—The third party claim the democratic party to be preferable to the republican party, let's see how that pans out in our county in the election of county officers, the democrats will according to present indications get three officers out of eight, the republicans five, but two of these democrats that we think elected were bitterly opposed by the third party, we mean Thos. Walls, and Samuel Miller, consequently they aid us in electing one democrat the one and only one endorsed at their convention, P. L. Shideler, still they think the democratic party preferable in deciding between the two old parties. Democrat can you see you have been sold out for a stick of candy and gave the republican party the benefit of the sell.

—The county election is a thing of the past, and the editors of the county papers are basking in the sunshine of plenty kindly donated by the numerous candidates. Who wouldn't be an editor?

SILVER CREEK June 3d.

ED. HERALD: The frost here injured the grain and vegetables.

The principal topic discussed in this neighborhood, is who will "get there" the 6th of June.

We were informed a few days since that the two children of William Harris, now a resident of your town, were sick, but were glad to learn since the report was a mistake.

William Hogan and Richard Miller expect to start to the Dalles on the 8th.

R. J. Baker is happy since his wife returned from a visit to friends in Lake county accompanied by Mrs. J. C. Garratt.
