—Prairie City Roller Mill gives
33lbs of flour and 12lbs of brand
and shorts per. bushel wheat.

ley takes the lead.

Ladies go to A. Robbins and see
their fine stock of Calico, Gingham,
Mulls and Zepretts.

—Builders tools and all kinds of
building hardware at the Burns
hardware store, at bottom prices
for cash.

—J Durkheimer returned a few
days since from a business trip to
Baker City. He reports Baker
very dull.

—Hol For the boot and shoe
store. Boots and shoes so "scheap
as never vas I told you." Fred
Lunaburg and George Fry.

—Don't forget when in town that
Lee Caldwell keeps the best of liq-
uors and cigars behind the bar,
ready to dispense to his many cus-
tomers.

—BRING IN YOUR WHEAT.—John
Sayer announces he will grind your
wheat at a half cent a pound, or
fifty cents per hundred and guar-
antees good flour from good wheat.

ABOUT DONE.—Some of the base
ball boys think that they have no
more worlds to conquer, and that
the time for disbanding has come.
We would much rather engage in a
contest with Burns, and then go
over to McEwen and cross swords
with Baker. Both of those teams
would be apt to hustle the boys here
besides giving the national game a
boom in this section.

—The above clipping from the
Sentinel reminds us of the fact that
we have some good base ball play-
ers in and near Burns. Why not
organize and give John-Day and
Canyon City an invitation to a
match game here, to come off in
September when we have our races.
A match game advertised will draw
a big crowd to our town, besides
the "fun of the thing" and making
the acquaintance of the Canyon
City and John-Day boys who must
be gentlemanly whole soul good fel-
lows, because all base ball players
have that reputation.

—The remains of Johnnie Mor-
rell were interred in the Burns
cemetery Monday afternoon the
18th inst. It will be remem-
bered that about two years ago
Johnnie Morrell became partially
insane so much so, in fact, that he
was not responsible for his actions;
at that time he was employed by
the L. F. Co., and left one of the
company's ranches and wandered
off on the desert where he died of
exposure and thirst, his body was
found and buried where it
was found. His sad and tragic
death caused a gloom to pervade
the whole community, having
many friends because of his good
qualities and his energetic and in-
dustrious habits; he was univer-
sally respected by all his acquaint-
ances. He left a wife and one
child, who had the sympathy and
the kindest wishes of everybody.
His widow, Mrs. Ella Morrell,
caused his remains to be taken up
and brought to this place and again
interred in the Burns cemetery.

—If you want anything in the
line of ladies fine shoes, dress goods,
ribbons etc. go to A. Robbins.
