Mrs. Chas. Anderson.

Messrs. Kenyon and Stallard have been absent during the summer, in California, returned a few days ago. Mr. Kenyon informs us that since visiting other states and comparing notes, Harney county is good enough for him to reside in, at least for several years.

In conversation with our work-assessor W. E. Alberson he informed us that he is much better satisfied with his last assessment than any previous assessment made him. Knowledge already gained by reason of experience in the past enabled him to unearth a great deal more real estate, and assessment of real estate is higher than last year.

Is our town ordinance relating to sanitary measures strictly enforced? Some of our back streets are still in bad condition and the offensive smell emanating from that section shows something wrong. We are not proof against sickness the siege of fever we had in town last summer and fall would be a lesson to our citizens. Persons of ordinary intelligence should know that cleanliness is essential to health.

Lloyd Culp and Thos. Brink are now residents of our town.

W. N. Jorgensen has moved into his new building situated on the west side of main street, south of the Herald office.

The Burns race track is now in splendid condition. Ten or twelve race horses are already here training for our fall races which begin Oct. 13th.

The Burns fall and winter stock of goods will soon begin to roll in. A man just from Lakeview and a few other towns of like size remarked to us a few days since, that one of our stores contained more goods than any three in the towns he had visited.

Fall is here and we desire to inform parties going to the R. R. with the intention of buying some supplies for the winter, that they cannot do better than to call on the O. C. Company.

HEPPNER Or., Sept. 16th, '92.

EDITOR EAST OREGON HERALD: I would like very much to meet the constituents of the twenty-third Senatorial District, as I think it is the duty of every Legislator, to visit their district preceding the session next January, and learn the requirements of the people, but owing to my continued ill health, my physicians warn me at present not to undertake such a hazardous stage ride (much as I would like too) as it would be very detrimental to my ultimate recovery, and therefore notify the people of Harney county, through the medium of the press, that I will give close attention during the next session of the legislature to the wants of your county and would request from any citizen, correspondence as to what legislation is needed, and will cheerfully reply to any communication.

Yours obediently, HENRY BLACKMAN.
