

Now that the Presidential election is over and result chronicled, the party that succeeded in making such a landslide, need not think to rest easy on its oars and that the actual reforms demanded by the people and the hope of gaining caused so many voters of this government to sacrifice party affiliations, will be brought about as a natural consequence. There is work for every one and with the fact staring us in the face that the people are expecting much, it behooves the democratic party, and executive, backed by congress and senate, to work honestly for the good of our country and people. Let not the taint of dishonor rest upon a democratic legislature caused by class legislation but rather—as by our works we shall be judged—let our work stand out in bold relief to be scrutinized by the whole world without fear of condemnation.

No democrat should be so lost to honor and the interest of the government as to fool himself into the belief that the democratic party should hold the reins of this government simply because its party in power but let the party by good works deserve the honor of being the leading party in our nation. Let us work with a will for the accomplishment of good so that we may be acknowledged by all parties as being honest in our intentions even though we make some mistakes, still the intelligence of the people is discerning enough to understand the drift of our efforts and will certainly reward us as we deserve either for weal or for woe.

A Cowardly Thief.

SHAMOKIN, Pa., Nov. 15.—Mrs. John Gracie died to-day from the shock and injuries caused by John Zertio, a boarder, who went into the room where she lay sick Saturday night and choked her until she told him where her money was. She had concealed \$140 under her pillow. Zertio took it and fled to the mountains. Officers are in pursuit of the miscreant.

The Druggists

In Lowell, Mass., agree in saying that they sell more of Hood's sarsaparilla than of all other blood purifiers. For instance: F. C. GOODALE: I sell more of Hood's Sarsaparilla than all other blood purifiers. A. W. DOWS & Co.: Hood's takes the lead of all other sarsaparillas. C. F. BLANCHARD: We sell more of Hood's sarsaparilla than of any similar. MARSTON & SHAW: With us the sale of Hood's is 9 to 1 of any other kind. F. & E. BAILEY & Co.: Hood's Sarsaparilla is one of the best medicinal medicines. CARLTON & HOVEY: Hood's Sarsaparilla is one of the best medicines we have. Its sale increases every year. F. P. MOODY: We sell twice as much of Hood's Sarsaparilla as of anything similar. C. A. SWAN: Hood's is the most popular sarsaparilla of the day. THIRTY OTHER DRUGGISTS speak similarly. This popularity at home, where Hood's sarsaparilla and its proprietors have been known for many years, could not continue if the medicine did not possess merit. And these facts should certainly convince people in other sections of the country that Hood's Sarsaparilla is a good, reliable medicine. Hood's Sarsaparilla Sold by druggists, \$1; six for \$5. Prepared only by C. L. HOOD & CO., Apothecaries, Lowell, Mass. 100 Doses One Dollar

A BIG OFFER.

Wishing to secure as many renewals and new subscriptions as possible before Jan. 1st, we have decided to make a proposition that should be accepted by every one. The Goodform, a wonderful magazine published in Chicago—the World's Fair City—if you have not seen it you cannot appreciate how nice it is.

Notwithstanding it is only a year old it already outranks many of the oldest and most popular magazines of the world.

YOU ASK WHY? Simply because it is published to please the people and not the editors. In fact any information of high character that will tend to make the people wiser better and happier, always finds a place in Goodform.

It has no hobbies and does not take sides on any questions except those of honesty, justice and purity. Its eighty pages are filled each month with serial and short stories of the highest order, select and choice literature, poetry song and art.

Matters of dress, Woman's Sphere, Home Decorations, Bodily Grace and Beauty, Conduct and Character, Health—The Nursery, Our House Affairs, Plants and Flowers, Practical Amusements, etc., etc., are ably discussed each month by editors who are thoroughly posted on these departments of life.

Of course you want Goodform, everybody does, and our arrangement with the publishers makes it possible for you to get this most beautiful and valuable magazine for nothing during a limited time only.

The HERALD is \$2.50 a year and the Goodform \$2.00. Now we make our subscribers the following offer, which will hold good as long as we run this notice: to all delinquents who will pay up and one year in advance and to all new subscribers, we will send to their P. O. address, the Goodform "gratis." This is certainly an offer that no one should overlook, and we sincerely hope our readers will accept.
