## A DETROIT MIRACLE

## A GREAT THU MPH FOR MEDICAL SCIENCE.

Particulars of the or the Most Remarkable Case on Record Described by the Detroit News—A Story Worth a Circular Personal.

(CONTINUED FROM FIRST PAGE.)

Foxes—Inver in bulk by the hundred at 50 cents a box, and may be had of all druggists or direct by mail from Dr. Williams' Medicine Co., from either above address. The price at which these pills are sold makes a course of treatment with them comparatively inexpensive as compared with other remedies or medical treatment. This case is one of the most remarkable on record, and as it is one right here in Detroit, and not a thousand miles away, it can be easily verified. Mr. Northrop is very well known to the people in Detroit, and he says he is only too glad to testify of the marvelous good wrought in his case. He says he considers it his duty to help all who are similarly afflicted by any word he can say in behalf of the wonderful efficacy of Dr. Williams' Pink Pills. If any of the News readers want any further information, we feel sure Mr. Northrop would willingly oblige them, as he has the writer in relating these facts to him.

Real Estate raised.

The State Board of Equalization has raised and lowered valuations as follows:

Railroad lands, swamp lands, agricultural and other lands, railroad track, and telegraph lines—known to the board as class No. 3—were raised 10 per cent, in each county.

Household furniture, pleasure carriages, watches, etc., were allowed to stand in each county as equated by the county boards.

More in dies and implements were raised in all of the counties 10 per cent.

The result in the several counties—except in the two instances where horizontal additions were made—is as follows:

Benton—Sheep raised 10 per cent. Benton—Improvements and town lots each raised 30 per cent, horses and mules 10 per cent, cattle 5, sheep 10, swine 100.

Clarkin—Improvements and town lots each raised 30, horses 10, cattle 10, sheep 70, swine 150.
