Riley.

Jan. 14, 1893.

ED. HERALD: The citizens of Silver creek, Buck creek and Twelve-mile, met at the white school house yesterday evening, 13th inst., to celebrate the new year of 1893. Seventy-five persons were present nearly all of whom danced. From Buck creek, we had, Columbus Johnson and neice Miss Martha Johnson, J. S. Street, Miss Maud Belfore, the Hon. Thomas Belfore and charming little daughter, Zoe. From Twelve-mile, Mrs. C. A. Thornburg and Miss Wagon, Will Jacobs and Bob Bigsley, the boys from the Riley and Hardin ranch and Silver-creekers completed the number present. At 7 o'clock E. D. Baker [better known as Dug] and John Haunseker called the attention of the guests by tuning up their violins, preparations were then made for the grand march.

Your correspondent failed to get a partner for the reason, we presume, the ladies thought too little of him, after the grand march the dancing began in earnest, and continued without intermission until eleven o'clock p. m., when a recess was taken for supper. The table was set and extended from one end of the hall to the other and loaded with choice viands, leaving, as in the parable, 12 baskets over. This looked very strange, because J. C. Garrett, Wm. Hogan and Zollic Dibble were present and each bringing their appetites with them. Another remarkable feature of the dance was the absence of the smell of whiskey; everyone enjoyed themselves and seemed glad to be present. Only one thing happened to mar the pleasures of the evening, that was an accident in which W. H. Hogan was the sufferer; he slightly crippled himself in an effort to dance like "Old Arkansas" in which he signally failed to catch the step.

Success and a happy new year to the E. O. HERALD and its readers.

—Representative A. W. Gowan has introduced a bill for an appropriation to be used in an effort for artesian water in this county. We sincerely hope the legislature will regard the bill with favor and the Governor approve it, because if successful in getting a good flow of artesian water on the sage brush land of this county, it will undoubtedly be the best farming land in the county, and there are thousands of acres of it, and the only drawback to its being settled, is want of water.

Steady Progress

Has characterized Hood's Sarsaparilla ever since it was placed before the public. Wherever introduced, its sales have grown from year to year, until now it is the most popular and most successful medicine offered. Any druggist will confirm this statement. The secret of this success lies in the fact that Hood's Sarsaparilla is a medicine of merit. It does not only accomplish all that is claimed for it, and when given a fair trial, is reasonably certain to be of benefit.

Positive Statements.

"Since Hood's Sarsaparilla has been in my hands for sale I have had frequent and unreserved testimonials in its favor. Although carrying this preparation for less than one year, my sales have been greater than of any similar preparation, and the testimonials in its favor are at once positive and personally noticeable." A. WRIGHT, Healdsburg, Cal.

Sells On Its Merits.

"My boys say, 'Papa, why don't you buy more of Hood's Sarsaparilla, at a time; we are always short.' It sells on its own merits." F. BEAL, Portland, Oregon; the oldest druggist in Oregon.

100 Doses One Dollar

A BIG OFFER.

Wishing to secure as many renewals and new subscription as possible before Jan. 1st, we have decided to make a proposition that should be accepted by every one. The Goodform, a wonderful magazine published in Chicago—the World's Fair City—if you have not seen it you cannot appreciate how nice it is.

Notwithstanding it is only a year old it already outranks many of the oldest and most popular magazines of the world.

YOU ASK WHY? Simply because it is published to please the people and not the editors. In fact any information of high character that will tend to make the people wiser, better and happier, always finds a place in Goodform.

It has no hobbies and does not take sides on any questions except those of honesty, justice and purity. Its eighty pages are filled each month with serial and short stories of the highest order, select and choice literature, poetry, song and art.

Matters of dress, Woman's Sphere, Home Decorations, Bodily Grace and Beauty, Conduct and Character, Health—The Nursery, Our House Affairs, Plants and Flowers, Practical Amusements, etc., etc., are ably discussed each month by editors who are thoroughly posted on these departments of life.

Of course you want Goodform; everybody does, and our arrangement with the publishers makes it possible for you to get this most beautiful and valuable magazine for nothing during a limited time only.

The HERALD is \$2.50 a year and the Goodform \$2.00. Now we make our subscribers the following offer, which will hold good as long as we run this notice: to all delinquents who will pay up and one year in advance and to all new subscribers, we will send to their P. O. address, the Goodform "gratis." This is certainly an offer that no one should overlook, and we sincerely hope our readers will accept.
