

ANOTHER NEW COUNTY.—It is stated here on good authority that a bill will be presented in our legislature for a new county to be made of territory taken from Harney and Malheur counties, the west line of the new county, running six miles east of Burns cutting the P Ranch in two, but giving the new county much the larger share, this line running the whole length of the county north and south. From Malheur a 12 mile strip to be taken off of the west side. It is supposed by some that this new county is favored by the stock men as it will throw a great deal of their lands in a body in the new county. But as our legislature is not very favorably disposed towards new counties we have no idea the bill will pass.

There appears to be misapprehension by some persons as to the status of lands embraced in what was known as List 5 of swamp and overflowed lands.

For the information of those who may be interested we will state that such lands were patented under what is now known as list 3 Burns series, of patented swamp lands. Thus the title passed from the United States and now vests in the state of Oregon or her grantees.

These lands are what was known as old R. S. lands, list 5, but now in list 3, Burns series.

VANITY.

—We understand that Peter French has expressed himself as being thoroughly disgusted with the democratic and republican parties and is now a thorough and radical populist. We feel very much like expressing sympathy for Mr. French because of the manifest dilemma in which he is placed; the organ of the peoples party (the Journal) in this county is so emphatically "down on," cattle men and has so decidedly expressed itself in opposition to anything having the appearance of monopoly and its natural antipathy to receiving such additions to the party, that it must refuse the entrance of such into its folds, or the foundation upon which it rests in this county will crumble. We feel for the Journal but cannot quite reach it.

Steady Progress

Has characterized Hood's Sarsaparilla ever since it was placed before the public. Wherever introduced, its sales have grown from year to year, until now it is the most popular and most successful medicine offered. Any druggist will confirm this statement. The secret of this success lies in the fact that Hood's Sarsaparilla is a medicine of merit. It does actually accomplish all that is claimed for it, and when given a fair trial, is reasonably certain to be of benefit.

Positive Statements.

"Since Hood's Sarsaparilla has been in my hands for sale I have had frequent and unreserved testimonials in its favor. Although carrying this preparation for less than one year, my sales have been greater than of any similar preparation, and the testimonials in its favor are at once positive and personally noticeable." A. WAGGON, Healdsburg, Cal.

Sells On Its Merits.

"My boys say, 'Papa, why don't you buy more of Hood's Sarsaparilla at a time; we are always short.' It sells on its own merits." F. BEAL, Portland, Oregon; the oldest druggist in Oregon.

A BIG OFFER.

Wishing to secure as many renewals and new subscription as possible before Jan. 1st, we have decided to make a proposition that should be accepted by every one. The Goodform, a wonderful magazine published in Chicago—the World's Fair City—if you have not seen it you cannot appreciate how nice it is.

Notwithstanding it is only a year old it already outranks many of the oldest and most popular magazines of the world.

YOU ASK WHY? Simply because it is published to please the people and not the editors. In fact any information of high character that will tend to make the people wiser better and happier, always finds a place in Goodform.

It has no hobbies and does not take sides on any questions except those of honesty, justice and purity. Its eighty pages are filled each month with serial and short stories of the highest order, select and choice literature, poetry song and art.

Matters of dress, Woman's Sphere, Home Decorations, Bodily Grace and Beauty, Conduct and Character, Health—The Nursery, Our House Affairs, Plants and Flowers, Practical Amusements, etc., etc., are ably discussed each month by editors who are thoroughly posted on these departments of life.

Of course you want Goodform, everybody does, and our arrangement with the publishers makes it possible for you to get this most beautiful and valuable magazine for nothing during a limited time only.

The HERALD is \$2.50 a year and the Goodform \$2.00. Now we make our subscribers the following offer, which will hold good as long as we run this notice: to all delinquents who will pay up and one year in advance and to all new subscribers, we will send to their P. O. address, the Goodform "gratis." This is certainly an offer that no one should overlook, and we sincerely hope our readers will accept.
