

A CHATHAM MIRACLE.

DR. CARL VERRINDER'S VI-CISSITUDES OF TORTURE AND OF HEALTH.

Survives Them all, and Rebounds His Wonderful Deliverance From Poverty and Death, and His Restoration to Prosperity and Vigor of Mind and Body—Good Words for the A. O. U. W.

(Chatham Plant.)

[CONTINUED FROM FIRST PAGE] Remedies. But I started to take Pink Pills for Pale People, made by the Dr. Williams' Medicine Co., Brockville. From the very first one at a dose, I began to mend and before I had taken more than a box or two I knew that I had found the right remedy and that to the Pink Pills I owed my life. In nine months I have taken twelve boxes—just six dollars worth. Think of it my friend! Hundreds of dollars for other treatment, and only six dollars for what has made a man of me and set me again on the highway of health and prosperity. There is some subtle, life-giving principle in Pink Pills which I do not attempt to fashion. I only knew like the blind man of old: "Once I was blind; now I can see!" God, in the mystery of his providence, directed my brother of the A. O. U. W. to me. I took it. I live and rejoice in my health and strength. I have no physical ailments.

The reporter finally took his leave of Dr. Verrinder, but not without the professor entertaining him to another piano treat, a symphony played with faultless execution and soulful interpretation of the composer's thought.

Calling upon Messrs. A. E. Pilkey & Co., the well-known druggists, the reporter ascertained Dr. Williams' Pink Pills have an enormous sale in Chatham, and that from all quarters come glowing reports of the excellent results following their use. In fact Dr. Williams' Pink Pills are recognized as one of the greatest modern medicines—a perfect blood builder and nerve restorer—curing such diseases as rheumatism, neuralgia, partial paralysis, locomotor ataxia, St. Vitus' dance, nervous headache, nervous prostration and the tired feeling resulting therefrom, diseases depending upon humors in the blood, such as scrofula, chronic erysipelas, etc. Pink Pills restore pale and sallow complexions to the glow of health, and are a specific for all the troubles peculiar to the female sex, while in the case of men they effect a radical cure in all cases arising from mental worry, overwork or excesses of whatever nature.

These Pills are manufactured by the Dr. Williams' Medicine Company, Schenectady, N. Y., and Brockville, Ont., and are sold in boxes (never in loose form by the dozen or hundred and the public are cautioned against numerous imitations sold in this shape) at 50 cents a box, or six boxes for \$2.50, and may be had of all druggists or direct by mail from Dr. Williams' Medicine Company from either address. The price at which these pills are sold make a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.

"When I was fishing on the Kanakee, some fifteen years ago," said the man with the cigarette, "a whirlwind came along and carried off my vest that was hanging on a limb just over my head. It had my watch in it and a tailor's account. Well, the whole outfit sailed out of sight in less than a minute. Seven years afterward a party of us camped on the same river, only 100 yards further up. It was my turn to do the cooking, so I started out for some dry wood, stepped on a log, which caved in, and lo! as the story books say, there lay my watch, with the same old tailor's bill twisted through the ring. It was still running."

"Oh, come off! You want us to ask you how such a thing could be and then you'll explain that the whirlwind wound your watch up so tight that it ran for seven years."

"I didn't say the watch was still running," said the story teller, as he lighted another bacillus extenuator; "I had reference to the tailor's bill. It is running yet, in fact."
