WEDNESDAY MARCH 22, 1893

Local News.

—William Blattner proved up on his timber culture claim last Saturday.

—An earthquake shock passed over the Umatilla country a few days ago.

—We guess we will soon have crinoline processions in Burns. Amen.

—E. A. Stauffer and several of his vaqueros were in town several days of the last week.

—Fresh garden seeds just received at the store of Geer Bros. These are from the well known and reliable firm of D. M. Ferry & Co. Call and inspect.

—Spring, beautiful spring! get off old winter's lap and let him depart in peace; we want to feel your genial warmth, as our wood pile is getting low and no money in the till.

—Carl Cecil came over to town one day last week and remained over night. Carl is a first class dentist, but we were not aware of the fact until told so by I. S. Geer a day or two ago.

—The U. S. Supreme Court at Washington D. C. have decided in favor of the wagon road companies. This suit, which our readers know involved many millions of acres of land, is now, we guess, settled beyond any doubt, and the defendants establish their title.

—Dr. D. B. Cate, dentist, now has rooms at the French Hotel, and invites all those having work in his profession to call on him. Dr. Cate is undoubtedly a first class dentist, and as such we take pleasure in recommending him to our readers.

—The county clerk has received the state levy and will have the tax list completed in about ten days. After the roll is received by the sheriff the tax payers will have 30 days time to pay their taxes before it becomes delinquent. The state levy is seven mills school tax 5— and general county tax 10— building fund 3— making a total of 25 mills.

—Prof. John Biggs has been employed to teach our spring term of school, as principal, Miss Phoebe Kelley the primary department. School began last Monday morning. We are informed that Mr. Biggs is drawing the reins pretty tight. We hope he will continue to do so, and that the directors and patrons will stand by him.

—Our winter term of school closed last Friday. M. N. Feghtly principal and Mrs. Worthington assistant. Both principal and assistant gave general satisfaction, to say that every patron was entirely pleased would be saying more than can be said of any school, but we are prepared to say that we have never had a better school taught in the town and feel no hesitancy in commending these teachers to the public.

—To Subscribers—The HERALD and Rural Northwest both for the price of the HERALD. The Rural Northwest is a good newsy paper devoted to the wants of the agriculturist. Now is the time to pay up your arrears and one year in

advance and get an additional paper in the bargain.

—I am in need of money and must have my outstanding indebtedness paid at once. This is fair warning to parties owing me livery bills, who will please come forward and settle. Accounts not immediately settled will be placed in the hands of a collector and costs added.

I Would Be Dead

But For Hood's Sarsaparilla

A Wonderful Cure—Restored to Good Health

"Last winter I was in a very bad condition, my general health all run down. I grew thin, had no appetite, could not sleep more than five minutes at a time, and when I woke up I would have pains in my bowels. In the morning when I arose I would seem more tired than when I went to bed. I had a thumping sensation in the region of my heart. I cannot tell

How Miserable I Felt.

I was obliged to give up work entirely. My friends advised me to take Hood's Sarsaparilla and I did so. I am now using the sixth bottle, and can say that it has worked upon me a wonderful cure. I have grown quite strong, am again able to work, sleep well and have a good appetite, with no more

Palpitation of the Heart.

I am happier now and in better health than I have been for years. I firmly believe that if it had not been for Hood's Sarsaparilla I would be dead to-day. It may not be worth mentioning.
