VAN, April 18.

Mrs. Ed. Combs is still on the sick list.

Mr. S. W. Miller has been visiting his old neighbors here and inquiring into the state of their finances.

People say this is the most cold, backward spring they ever saw. Methinks we heard that said last spring.

Farmers have commenced turning the sod.

Talk of school commencing the first Monday in May.

The department of the Interior has ordered the U. S. Surveyor General, of Oregon, to have the unsurveyed lands around Malheur lake surveyed. The Register and Receiver here have been advised to suspend disposals of the fractional parts surrounding the lake until the survey is made.

A quarter section of land on section 34 shown at the land office as swamp land was successfully contested by Charles Owens, another quarter on the same section, similar in every particular and contested by William King, was decided, not long since, by the then secretary of the Interior as swamp land. We would advise Mr. King to try for a new hearing.

J. E. McKinnon, once a resident of our town, but now of Huntington, who took unto himself a wife a short time since, paid his father—R. J. McKinnon—a visit last week. Ed was on his way to Swamp creek on business; he will return via Burns and will probably stop with us a few days. He is accompanied by his wife.

The new hotel, we are informed will be open for the reception of customers today. This hotel is a credit to our town; the architectural plan of the building is splendidly suited for the purpose intended, and the proprietors have spared no pains in finishing and furnishing the house in style and comfort. The landlord is a man of energy and enterprise, affable and obliging. Under his direction and management the house will certainly have its share of patronage.

Mrs. L. M. Payne
Eagle Creek, Oregon.

"I have lived here in Oregon for the past twenty years, and most of the time have been a very great sufferer from inflammatory rheumatism. I have also had heart trouble, with shortness of breath and sharp pains in the left side. I decided to take Hood's Sarsaparilla, and I have had three bottles. I was in better health than I had been for years. I do not have any pain now, sleep well, and feel as well as women of my age."

Enjoys Better Health
