No Right of Way.

BOISE, Idaho, May 27.—An exciting scene occurred today on the farm of M. F. Eby, near this city. Eby had defied the Union Pacific graders to enter his place until the matter pending in the court involving the right of way through his place is settled. This morning about 75 graders attempted to enter the farm, when Eby and his farm hands appeared armed with rifles and revolvers and drove the men away without firing a shot. In a short time the graders returned, headed by H. F. Hill, the engineer in charge. The latter covered Eby with a rifle, while the men tore down the fences and entered. Eby came to town and swore out a warrant for the arrest of Hill and a majority of the graders. Before the officers could reach the farm the grade was nearly completed. It was built through the space occupied by Eby's barn, which the graders had unceremoniously removed. Hill and the graders gave bonds pending a hearing. Eby holds the fort tonight. He says he will kill the first grader that attempts to re enter his place. He will apply for a restraining order tomorrow.—The Dalles Mt. 'Neer.

Steady Progress

Has characterized Hood's Sarsaparilla ever since it was placed before the public. Wherever introduced, its sales have grown from year to year, until now it is the most popular and most successful medicine offered. Any druggist will confirm this statement. The secret of this success lies in the fact that Hood's Sarsaparilla is a medicine of merit. It does actually accomplish all that is claimed for it, and when given a fair trial, is reasonably certain to be of benefit.

Positive Statements.

"Since Hood's Sarsaparilla has been in my hands for sale I have had frequent and unreserved testimonials in its favor. Although carrying this preparation for less than one year, my sales have been greater than of any similar preparation, and the testimonials in its favor are at once positive and personally noticeable." A. WRIGHT, Healdsburg, Cal.

Sells On Its Merits.

"My boys say, 'Papa, why don't you buy more of Hood's Sarsaparilla at a time? we are always short.' It sells on its own merits." F. BEAL, Portland, Oregon; the oldest druggist in Oregon.
