Local News.

—A. A. Cowing and wife visited W. D. Buchanan's family, on Soldier creek, last Sunday and brought home with them a small limb, of a cherry tree grown upon Mr. Buchanan's ranch, loaded with that fruit. This is evidence that with proper culture Harney valley will grow fruit.

—The following are the horses in Burns training for the Sept. races: Soda Water Jim owned by Peter Clemens; Pay Day owned by Lee Caldwell and Frank Smith; Buck Skin by P. F. Stenger; Red S. by Lytle Howard; Gold Dust by Henry Long; Eva-Fitzgerald by Till Glaze; Buck Skin by Frank Howard; L. F. Colt, Trotting horse, Joe, by Dick Biggs.

Fox, August 8th

J. F. Allen's store was robbed last Friday night at 11 o'clock. Mr. Allen sleeps in his store. The robbers came and gained admission by saying they wanted something to eat. When Mr. Allen opened the door they pulled their revolvers and made him open his safe, from which they took all the money it contained—near \$1000. The following persons have been arrested: Wm. Moore, R. Ritter and John Chrisman. Moore has turned state evidence and given up his share of the money, amounting to \$140. Mr. Combs is handling the case in a very able manner, and Mr. C. McGirr deserves great credit for following the tracks and causing the arrest of the parties. The case is on trial before the justice at Long Creek. We learn later that Sheriff Combs talked Ritter into confessing. —Canyon News

Pure Blood

Is absolutely necessary in order to have perfect health. Hood's Sarsaparilla is the great blood purifier, quickly conquering scrofula, salt rheum, and all other insidious enemies which attack the blood and undermine the system. It also builds up the whole system, cures dyspepsia and sick headache, and overcomes that tired feeling.

Scrofula Sores.

"My adopted boy, aged 11 years, suffered terribly from scrofula sores on his leg, which spread till they at one time formed one great sore from the calf of his leg up to his thigh, partially covered with scab, and discharging matter continually. The muscles became contracted so that his leg was drawn up and he could hardly walk. We tried everything we could hear of, without success, until we began giving him Hood's Sarsaparilla. In just a month, after he had taken two-thirds of a bottle, the sores entirely healed, his leg is perfectly straight, and he
