This office is in great need of money to pay debts and run the paper. Parties indebted to us will confer a great favor by settling up either by cash or note drawing interest. It is better to have notes, when we cannot get cash, if even the note only calls for \$2.00. If it become necessary for us to spend time in settling up our accounts, or in case we have to employ an attorney or collector, the extra expense necessarily attached, will be charged to the parties owing us. Some parties have not settled their subscriptions since we have been running the HERALD, and it certainly cannot be expected by such that we can run a paper always on wind.

Another proposition to subscribers. To those who will pay up back subscriptions and one year in advance, and desire the Toledo Blade, we will send to their address the Herald and Blade for \$2.75.

Pure Blood

Is absolutely necessary in order to have perfect health. Hood's Sarsaparilla is the great blood purifier, quickly conquering scrofula, salt rheum, and all other insidious enemies which attack the blood and undermine the health. It also builds up the whole system, cures dyspepsia and sick headache, and overcomes that tired feeling.

Scrofula Sores.

"My adopted boy, aged 11 years, suffered terribly from scrofula sores on his leg, which spread till they at one time formed one great sore from the calf of his leg up to his thigh, partially covered with scab, and discharging matter continually. The muscles became emaciated so that his leg was drawn up and he could hardly walk. We tried everything we could hear of, without success, until we began giving him Hood's Sarsaparilla. In just a month, after he had taken two-thirds of a bottle, the sores entirely healed, his leg is perfectly straight, and he
