—The July and June numbers of the Century Magazine for the year 1891 are missing from this office. We presume we have loaned them to some one who has forgotten to return them. Please return.

—The well known reputation of the O. C. Company, Huntington Oregon, for fair dealing and reasonable prices, guarantees that firm a big trade, from parties in our county, who buy their winter supply of groceries, etc at the railroad.

—This office is in great need of money to pay debts and run the paper. Parties indebted to us will confer a great favor by settling up either by cash or note drawing interest. It is better to have notes, when we cannot get cash, if even the note only calls for \$2.00. If it become necessary for us to spend time in settling up our accounts, or in case we have to employ an attorney or collector, the extra expense necessarily attached, will be charged to the parties owing us. Some parties have not settled their subscriptions since we have been running the HERALD, and it certainly cannot be expected by such that we can run a paper always on wind.

—Another proposition to subscribers. To those who will pay up back subscriptions and one year in advance, and desire the Toledo Blade, we will send to their address the Herald and Blade for \$2.75.

In Its Worst Form—"White Swelling" Cured.

The remarkable effect of Hood's Sarsaparilla in the following case illustrates the power of this medicine over all blood diseases.

"My son, 7 years old, had a white swelling come on his right leg below the knee, which contracted the muscles so that his leg was drawn up at right angles. Physicians lanced the swelling, which discharged freely, but did not help him materially. I considered him

A Confirmed Cripple.

I was about to take him to Cincinnati for an operation, expecting his leg would have to be taken off, and began giving him Hood's Sarsaparilla in order to get up his strength. The medicine woke up his appetite, and soon pieces of bone were discharged from the sore. We continued with Hood's Sarsaparilla, as it seemed to be doing him so much good, and the discharge from the sore decreased, the swelling went down, the leg straightened out, and in a few months he had perfect use of his leg. He is now apparently as well as ever." JOHN L. McMEYER, Notary Public, Ravenswood, W. Va.
