The well known reputation of the O. C. Company, Huntington, Oregon, for fair dealing and reasonable prices, guarantees that firm a big trade, from parties in our county, who buy their winter supply of groceries, etc. at the railroad.

This office is in great need of money to pay debts and run the paper. Parties indebted to us will confer a great favor by settling up either by cash or note drawing interest. It is better to have notes, when we cannot get cash, if even the note only calls for \$2.00. If it become necessary for us to spend time in settling up our accounts, or in case we have to employ an attorney or collector, the extra expense necessarily attached, will be charged to the parties owing us. Some parties have not settled their subscriptions since we have been running the HERALD, and it certainly cannot be expected by such that we can run a paper always on wind.

Another proposition to subscribers. To those who will pay up back subscriptions and one year in advance, and desire the Toledo Blade, we will send to their address the Herald and Blade for \$2.75.
