—This office is in great need of money to pay debts and run the paper. Parties indebted to us will confer a great favor by settling up either by cash or note drawing in- terest. It is better to have notes, when we cannot get cash, if even the note only calls for \$2.00. If it become necessary for us to spend time in settling up our accounts, or in case we have to employ an at- torney or collector, the extra ex- pense necessarily attached, will be charged to the parties owing us. Some parties have not settled their subscriptions since we have been running the HERALD, and it cer- tainly cannot be expected by such that we can run a paper always on wind.

—Another proposition to sub- scribers. To those who will pay up back subscriptions and one year in advance, and desire the Toledo Blade, we will send to their address the Herald and Blade for \$2.75.
