 TELEGRAM OF THE 5TH—John E. Roberts was indicted for sending obscene matter through the mail. This is for an article which appeared in the Harney Times of June 17, 1893, and was mailed in the post office at Harney, Harney county, Or.
 —We are informed by P. L. Shideler, that our old friend Sylvester Smith, once a resident of Happy Valley, this county but now living at Wolf Creek Oregon, has taken unto himself a better half. We certainly join, with all his friends, in our congratulations, wishing the union to be one of unalloyed happiness and prosperity.
 —Sheriff Gittings returned last Saturday from Salem. We presume our readers know his business to Salem was to safely deliver within the confines of the lunatic Asylum James Bridges who some time ago was adjudged insane by the proper authorities constituted for that purpose. The sheriff informs us that James was somewhat troublesome while on the way and he feared he would turn him over to the keepers of that institution instead of allowing himself to go into confinement and straight jackets.

—We have but two names of Harney County school teachers on our subscription list.

—School books and stationery cheap for cash, at the Hardware store of C. H. Voegtly.

—Burns will have a christmas tree. The program has not yet been sent to this office, probably the committee thought best not to publish any program or the secretary is negligent in performing his duty.

—The teacher's institute, now in session here, is quite a success. The entertainments given last evening and the evening before were very interesting, consisting of recitations, essays, discussions, music, etc. In our next issue we will endeavor to give a statement in details of the proceedings.

—Some small boys, who occupy the back seat at entertainments, by their conduct are laying the foundation for future fame as hoodlums, and the young men who assist, supported by some of the older ones, setting the example for the boys, we presume are past redemption and knowing that to be the case glory in leading children into the slough of immorality and ill manners they have so long wallowed in themselves.

Communication.

PLUSH LAKE, Ore., Nov. 26 '93
 ED. HERALD: Not having heard from my last communication, I will write again, believing the former to have found its way to the waste basket

It is very cold and stormy here at this time, with 8 inches of snow on Warner mountain and raining hard in the valley.

Parties here not supplied with their winter provisions, will have a tough time of it getting out of here after supplies on account of the condition of the roads, many have not sufficient especially the Hart Ranche.

Shorty and Al McDowell started Thursday after wood for the ranche and have just returned after an absence of three days. While out Shorty met with an accident in stooping down beside one of his team mules to pick up a brake block, the mule kicked him on the face making a cut reaching two inches from the corner of the eye and about 1/2 inch in depth. When asked if it hurt him much, he replied that he did not think it any sorer than the mule's head.

Long John has recovered from his fright, caused by being shot at in Lakeview a short time since. John objected to a man singing "Will you love me when I'm old," and the man cut loose at him with a 22 pistol, John was badly frightened but not hurt.

Frank Cline has recovered from his late misfortune of having his knee dislocated. Charley Wilson, also, from the effects of a sprained ankle.

The Plushites will give a social hop on the 30th inst. Shorty will be missed as we expected him present with a gallon of "cologne water."

La grippe is raging in Lakeview and Warner, but no serious cases.

He died of La Grippe and during his illness he had all the care and attention from kind and loving relatives and friends that was possible to give. His son William was almost constantly at his bed side and the old man died in his arms, his relatives have the sympathy of this neighborhood in their sad bereavement.

IS IN YOUR OWN HAND.
 Palmistry assumes to tell what the lines in your hand indicate. It will amuse you, if nothing more. The above diagram almost explains itself. The length of the LINE OF LIFE indicates probable age to which you will live. Each BRACELET gives you thirty years. Well marked LINE OF HEAD denotes brain power; clear LINE OF FORTUNE fame or riches. Both combined mean success in life; but you must keep up with modern ideas to win it. You will find plenty of these in Demore's Family Magazine, so attractively presented that every member of the family is entertained. It is a domestic magazine in one. A CLEAR LINE OF HEART bespeaks tenderness; a straight LINE OF FATE, peaceful life; the reverse if crooked. A well defined LINE OF HEALTH spurs you doctors' bills; so will the health hints in Demore's. No other magazine publishes so many stories to interest the home circle. You will be subject to extremes of high spirits or despondency if you have the GIRDLE OF VEUS well marked; keep up your spirits by having Demore's Magazine to read. By subscribing to it for 1894 you will receive a gallery of exquisite works of art of great value, besides the superb premium picture, 17x22 inches, "I'm a Daisy!" which is almost a real baby, and equal to the original oil painting which cost \$30; and you will have a magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter, that will keep you posted on all the topics of the day, and all the facts, and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and while Demore's is not a fashion magazine, its fashion pages are perfect, and you get with it, free of cost, all the patterns you wish to use during the year, and in any size you choose. Send in your subscription at once, only \$2.00, and you will really get over \$25.00 in value. Address the publisher, W. Jennings Demore, 15 East 14th St., New York. If you are unacquainted with the Magazine, send for a specimen copy. A large QUADRANGLE means honesty; a large TRIANGLE, generosity; long FIRST DIVISION OF THUMB, strong will; LONG SECOND DIVISION, reason; fine faculty. The MOUNT OF JUPITER betokens ambition; that of SATURN, prudence; the SUN, love of splendor; MARS, courage; MOON, imagination; VENUS, love of pleasure; and MERCURY, intelligence. Take our advice as above and you will be sure to possess the last and most valuable quality.
