Woven WIRE FENCING

YOUR FUTURE

Palmer assumes to tell what the lines in your hand indicate. It will amuse you, if nothing more. This above diagram almost explains itself. The length of the LINE OF LIFE indicates probable age to which you will live. Each BRACELET gives you thirty years. Well marked LINE OF LIFE denotes brain power; clear LINE OF FORTUNE denotes riches. Both combined mean success in life; but you must keep up with modern ideas to win it. You will find plenty of these in DeMore's Family Magazine, so attractively presented that every member of the family is interested. It is a magazine in one. A CLEAR LINE OF HEART bespeaks tenderness; a straight LINE OF FACE peaceful life; the reverse if crooked. A well defined LINE OF HEALTH (as your doctor's bill) will tell the health hints DeMore's. No other magazine publishes so many stories to interest the entire circle. You will be subject to extremes of high spirits or despondency if you have the GIRLDE OF VENUS well marked; keep up your spirits by having DeMore's Magazine to read. By subscribing to it for 1894 you will receive a gallery of exquisite works of art of great value, besides the superb pen and ink picture, "Excelsior," "I'm a Dandy!" which is almost a real baby and equa to the original oil painting which cost \$500, and you will have a magazine that cannot be equaled by any in the world for its beautiful illustrations on all subject matter, that will keep you posted on all the topics of the day, and all the facts and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; get while DeMore's is not a fashion magazine, its fashion pages are perfect, and you get with it, in every issue, all the patterns you wish to use during the year, and in any size you choose. Send in your subscription at once, only \$2.00, and you will get over \$25.00 in value. Address the publisher, W. Jennings DeMore, 15 East 14th St., New York. If you are unacquainted with the Magazine send for a specimen copy. A large QUADRANGLE means honesty; a large TRIANGLE denotes low PRIST DIVISION OF THUMB, denotes; LONG SECOND DIVISION, reason; THE MOUNT OF JUPITER between thumb and index, that of SATURN, prudence; the SUN, a good character; MARS, courage; MOON, imagination; VENUS, love of pleasure; and MERCURY, intelligence. NEWS IN GENERAL FROM OUR EXCHANGES.

The editor of a paper at Storm Lake, Iowa, is now hiding in a swamp near that place in consequence of the way he mixed up the reports of a cattle show and a concert. His paper said: "The concert given last night by sixteen of Storm Lake's most beautiful young ladies was highly appreciated. They sang in a charming manner, winning the plaudits of the entire audience, who pronounced them the finest bred short hors in the country. A few are of a rich brown color, but the majority are spotted brown and white. Several of the heifers were able bodied, fine limbed animals, and promise to prove good property." Ochoco Review.

From all accounts Sheriff Massie, of St. Helen's, has a good joke on the taxpayers of Columbia county generally and on his boundsmen in particular. A good joke is just told on Linn county's popular sheriff. He was at Salem the other day and on returning was stooping and looking at the home of the tramp who was waiting for the train to start stepped up to him and said, "Get right under there; you can make it all right." "Do you take me for a tramp?" said the sheriff, as he eastened to take his seat in the car.

IT PAYS THE BEST AND IS THE SAFEST INVESTMENT I EVER MADE.

There are single retail shoe stores in all large cities which sell 2,000 pairs of shoes a day, making a net profit of \$20,000 a year. We sell shoes low, but we sell a great many pairs, the clear profit on our ladies', misses' and children's shoes is at least ten cents a pair, and on our men's and boys' shoes 15 cents a pair. We shall establish shoe stores in each of the fifty largest cities of the U. S., and if they sell only 500 pairs of shoes a day they would earn \$25,000 a year. We should be able to pay a yearly dividend of \$25,000 a share, or over 20 per cent on the investment. We sell the stock at \$20 a share. The price must inevitably be much more than this price, which is its par value. Stock non-assessable. Incorporated, Capital \$1,000,000. We have over 1,000 stockholders, and the number is increasing daily. Some of the principal stockholders are: T. S. Walling, N. Y.; J. J. Potter, Boston; N. A. Reed, Jr., Chicago; J. B. Camp, St. Louis; W. M. Kavanaugh, Little Rock, Ark.; L. H. Rich, Chicago; W. J. Turner, Philadelphia; H. Harding, N. Y.; E. J. Payne, Little Rock, Ark.; F. P. Buller, Austin, N. Y.

Write for a prospectus containing the names of our stockholders, etc., or send an order for stock, enclosing banker's check, cash, or money order. Orders taken for one or more shares. Price, \$20 a share.
