YOUR FUTURE

IS IN YOUR OWN HAND. Palmistry assumes to tell what the lines in your hand indicate. The above diagram almost explains itself. The length of the LINE OF LIFE indicates probable age to which you will live. Each BRACELET gives you thirty years. Well marked LINE OF HEAD denotes brain power; clear LINE OF FORTUNE fame or riches. Both combined mean success in life; but you must keep up with modern ideas to win it. You will find plenty of these in Demorest's Family Magazine, attractively presented that every member of the family is entertained. It is a dozen magazines in one. A CLEAR LINE OF HEART bespeaks tenderness; a straight LINE OF FATE, peaceful life; the reverse if crooked a well-defined LINE OF HEALTH spurs you doctors' bills; so will the hints in Demorest's. No other magazine publishes so many stories to interest the home circle. You will be subject to extremes of high spirits or despondency. If you have the GIRDLE OF VENUS well marked, keep up your spirits by having Demorest's Magazine to read. By subscribing to it for 1893 you will receive a gallery of exquisite works of art of great value, besides the superb premiums picture, "I'm a Daisy" which is almost a real baby, and equal to the original oil painting which cost \$300; and you will have a magazine that cannot be equaled by any in the world for its beautiful illustrations on all subjects, that will keep you posted on all the news of the day, and all the facts and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and while Demorest's is not a fashion magazine, its fashion pages are so effective, and you get with it, free of cost, all the patterns you wish to use during the year, and in any one year one. Send in your subscription at once, only \$2.00, and you will really get over \$25.00 in value. Address the publisher, W. JENNINGS DEMOREST, 15 East 14th St., New York. If you are unacquainted with the magazine, send for a specimen copy. A large QUADRANGLE means possessing a large TRIANGLE, generally low FINEST DIVISION OF THUMB, strongly low; LONG SECOND DIVISION, reasoning faculty. THE VERTICUT DIVISION, reasoning ability; that of SATURN, prudence; the SUN, love of order; MARS, courage; MOON, imagination; VENUS, love of pleasure; and MERCURY, intelligence. Take our advice as above and you will be sure to possess the last and most valuable quality.

IT PAYS THE BEST AND IS THE SAFEST INVESTMENT I EVER MADE.

There are single retail shoe stores in our cities which sell 2,000 pairs of shoes a day, making a net profit of \$250,000 a year. We sell shoes, but we sell a great many pairs, the clear profit on our ladies', misses' and children's shoes is at least ten cents a pair, and on our men's and boys' shoes 15 cents a pair. We shall establish a shoe store at each of the fifty largest cities of the U. S., and they sell only 200 pairs of shoes a day they would earn \$250,000 a year. We should be able to pay yearly dividend of \$2.25 a share, or over 50 percent a year on the investment. We shall issue stock at \$10 a share. The price must inevitably be much more than \$10 a share. No stock has ever been sold for less than this price, which is its par value. It is non-assessable, incorporated, Capital \$1,000,000. We have over 1,000 stockholders, and the number is increasing daily. Some of the principal stockholders are: T. S. Walling, N. Y.; J. J. Peter, Boston; N. A. Reed, Jr., Chicago; J. B.
