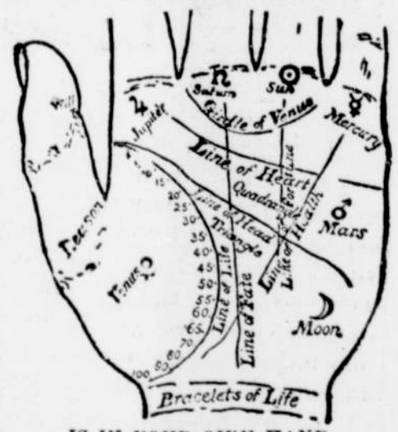
YOUR FUTURE



IS IN YOUR OWN HAND.

Palmistry assumes to tell what the lines in your hand indicate. It will amuse you, if nothing more. The above diagram almost explains itself. The length of the LINE OF LIFE indicates probable age to which you will live. Each BRACELET gives you thirty years. Well marked LINE OF HEAD denotes brain power; clear LINE OF FORTUNE fame or riches. Both combined mean success in life; but you must keep up with modern ideas to win it. You will find plenty of these in Demorest's Family Magazine, so attractively presented that every member of the family is enterained by a dozen magazines in one. A CLEAR LINE OF HEART bespeaks tenderness; a straight LINE OF FATE, peaceful life; the reverse if crossed. A well-defined LINE OF HEALTH spares you doctors' bills; so will the health hints in Demorest's. No other magazine publishes so many articles to interest the home circle. You will be subject to extremes of high spirits or despondency if you have the GIRDLE OF VENUS well marked; keep up your spirits by having Demorest's Magazine to read. By subscribing to it for 1894 you will receive a gallery of exquisite works of art of great value, besides the superb premium picture, 17x21 inches, "I'm a Dude!" which is almost a real baby, and equal to the original oil painting which cost $300; and you will have a magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter, that will keep you posted on all the topics of the day, and all the fads, and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and while Demorest's is not a fashion magazine, its fashion page is a perfect, and you get with it, free of cost, all the patterns you wish to use during the year, and in any size you choose. Send in your subscription at once, only $2.00, and you will really get over $25.00 in value. Address the publisher, W. Jennings Demorest, 15 East 14th St., New York. If you are unacquainted with the Magazine, send for a specimen copy. A large QUADRANGLE means honesty; a large TRIANGLE, generosity; long FIRST DIVISION OF THUMB, strong will; LONG SECOND DIVISION, reasoning faculty. The MOUNT OF JUPITER betokens ambition; that of SATURN, prudence; the SUN, love of splendor; MARS, courage; MOON, imagination; VENUS, love of pleasure; and MERCURY, intelligence. If we our advice as above and you will be sure to possess the last and most valuable quality.

Harper's Weekly

ILLUSTRATED.

Harper's Weekly is acknowledged as standing first among illustrated weekly periodicals in America. It occupies a place between that of the hurried daily paper and that of the less timely monthly magazine. It includes both literature and news, and presents with equal force and felicity the real events of current history and the imaginative themes of fiction. On account of its very complete series of illustrations of the World's Fair, it will be not only the best guide to the great Exposition, but also its best souvenir. Every public event of general interest will be fully illustrated in its pages. Its contributions being from the best writers and artists in this country, it will continue to excel in literature, news, and illustrations, all other publications of its class.

NEWS IN GENERAL

FROM OUR EXCHANGES.

A Boy Probably Fatally Wounded.

ASHLAND, Or., Dec. 31.—Bob Wilcox, a boy 18 or 19 years old, was shot and seriously wounded by Dan Conwell, at Harvey's farm, seven miles north of here, last evening. Conwell has been arrested and will have a preliminary examination Tuesday. Both parties worked at Harvey's ranch, as also does Conwell's wife. The report is that Wilcox, either insulted or quarreled with Mrs. Conwell, and Conwell slapped him for it, when the boy pulled a revolver and shot through Conweil's hat. The latter fired four or five shots in return, one of the shots taking effect in Wilcox's abdomen. The doctors say there are ten chances to one against his recovery, though Wilcox is reported slightly better today.

Has Hair Ten Feet Long.

The champion long-haired woman of the Lone Star State, the United States and of the world is Miss Aseneth Philpot, who was formerly, if not at present, a resident of Gainesville, Tex. In 1884 she had a hard spell of fever and the doctors, in order to be able to apply their remedies more effectually, shaved off her hair. The present phenomenal growth dates from that time, her tresses, which are of a beautiful golden hue, measuring feet 11 8 inches at last account.

IT PAYS

THE BEST AND IS THE SAFEST INVESTMENT I EVER MADE.

There are single retail shoe stores in our large cities which sell 2,000 pairs of shoes a day, making a net profit of $250,000 a year. We sell shoes low, but we sell a great many pairs, the clear profit on our ladies', misses' and childrens' shoes is at least ten cents a pair, and on our mens' and boys' shoes 15 cents a pair. We shall establish shoe stores in each of the fifty largest cities of the U. S., and if they sell only 500 pairs of shoes a day they will earn $225, 00 a year. We should be able to pay a yearly dividend of $5.25 a share, or over 50 per cent a year on the investment. We sell the stock at [illegible] a share. The price must inevitably be much more than $10 a share. No stock has ever been sold at less than this price, which is $10 per value. Stock non-assessable. Incorporated, Capital $1,000,000. We have over 1,000 stockholders, and the number is increasing daily. Some of the principal stockholders are: T. S. Walling, N. Y.; I. J. Potter, Boston; N. A. Reed, Jr., Chicago; J. B. Carr, Jr., Chicago; W. M. Kavanaugh, Little Rock, Ark.; I. H. Bibb, Chicago; J. F. Turner, Phila.; B. Harding, N. Y.; E. J. Payne, Battle Creek, Mich.; F. P. Hullette, Arcade, N. Y.

Write for a prospectus containing the names of our stockholders, etc., *or send an order for stock, enclosing cashier's check, cash or money order.* Orders taken for one or more shares. Price, $10 a share.
