IT PAYS

There are single retail shoe stores in our cities which sell 2,000 pairs of shoes a day, making a net profit of \$20,000 a year. We sell shoes but we sell a great many pairs, the clear profit on our ladies' misses' and children's shoes is 10 to 15 cents a pair, and on our men's and boys' shoes 15 cents a pair. We shall establish shoe stores in each of the fifty largest cities of the U. S., and they will sell only 500 pairs of shoes a day, but will earn \$25,000 a year. We should be able to pay yearly dividend of \$5.25 a share, or over 50 per cent a year on the investment. We sell the stock at \$10 a share. The price must inevitably be much more than \$10 a share. No stock has ever been sold for less than its price, which is its par value. \$25,000,000 non-assessable. Incorporated, Capital \$1,000,000. We have over 1,000 stockholders, and the number is increasing daily. Some of the principal stockholders are: T. S. Walling, N. Y.; J. J. Foster, Boston; N. A. Reed, Jr., Chicago; J. B. IS IN YOUR OWN HAND.

Palmistry assumes to tell what the lines in your hand indicate. It will amuse you, if nothing more. The above diagram almost explains itself. The length of the LINE OF LIFE indicates probable age to which you will live. Each BRACELET gives you thirty years. We'll mark LINE OF HEAD denotes brain power; clear LINE OF FORTUNE fame or riches. Both combined mean success in life; but you must keep in with modern ideas to win it. You will find plenty of these in Demore's Family Magazine, so attractively presented that every member of the family is entertained. It's a dozen magazines in one. A CLEAR LINE OF HEART bespeaks tenderness; a straight LINE OF FAITH, peaceful life; the reverse if crooked. A well-defined LINE OF HEALTH spares you doctors' bills; so will the hints in Demore's. No other magazine publishes so many stories to interest the home circle. You will be subject to extremes of high spirits or despondency if you have the GIRLE OF VENUS well marked; keep up your spirits by having Demore's Magazine to read. By subscribing to it for 1894 you will receive a gallery of exquisite works of art of great value, besides the superb premium picture, 17x21 inches, "I'm a Daisy!" which is almost a real baby, and equal to the original oil painting which cost \$300; and you will have a magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter. That will keep you posted on all the topics of the day, and all the facts, and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and while Demore's is not a fashion magazine, its fashion page is a treat, and you get with it, free of cost, all the patterns you wish to use during the year, and in any size you choose. Send in your subscription at once, only \$2.00, and you will really get over \$25.00 in value. Address the publisher, W. Jennings Demore, 15 East 14th St., New York. If you are unacquainted with the Magazine, send for a specimen copy. A large QUADRANGLE means honesty; a large TRIANGLE, generosity; long FIRST DIVISION OF THUMB, strong will; LONG SECOND DIVISION, reasoning faculty. The MOUNT OF JUPITER betokens ambition; that of SATURN, prudence; the SUN, love of splendor; MARS, courage; MOON, imagination; VENUS, love of pleasure; and MERCURY, intelligence. Take our advice as above and you will be sure to possess the last and most valuable quality.
