The little darling rests against a pillow, and is in the act of drawing off its pink sock, the mate of which has been pulled off and hung aside with a triumphant coo. The fish tints are perfect, and the eyes follow you, no matter where you stand. The exquisite reproductions of this greatest painting of Ida Waugh (the most celebrated of modern painters of baby life) are to be given to those who subscribe to Demorest's Family Magazine for 1924. The reproductions cannot be told from the original, which cost \$4.00, and are the same size—11x12 inches. We have life size, and absolutely identical. We have also in preparation, to present to our subscribers during 1924, other great pictures by such artists as Percy Moran, Maud Humphrey, Louis Desechamps, and others of what we had during the past year, "A Yard of Paradise," and "A White House Child" by the wife of President Harrison, and you will see what our promises mean.
Those who subscribe for Demorest's Family Magazine for 1924 will possess a gallery of exquisite works of art of great value, besides a Magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter, that will keep everyone posted on all the topics of the day, and all the facts and different items of interest in the household, besides furnishing and giving the real matter, both grave and gay, for the whole family; and while Demorest's is not a fashion Magazine, its fashion pages are perfect, and I give you, free of cost, all the patterns you wish to use during the year, and in any size you choose.
