—Our primary passed off with the usual amount of cat hauling, many voted in direct opposition to feelings and promises just because —well because it is nearly always the case. The following named persons were elected delegates viz: H. E. Thompson, Geo. Maupin, D. M. McMenamy, Frank McIntic, Jacob Johnson, Ben Brown, J. S. Kenyon and John Witzell.

—Now since Cleveland has put his foot on the seigniorage bill, congress had better adjourn, as it seems quite useless that the tax payers should be burdened with a body of men, who cannot please the President, neither can the President please them. The call session of congress and the regular session have only been able to repeal the sherman act, another mob should now have possession of the congressional halls and try its hand at making reformations, for instance Coxey's salvation army.

**VAN, Oregon, March 30 '94.**

It has been decided to hold the Democratic primary in the Wolf Creek school house to morrow instead of the Pine Creek house on account of high water.

At the school meeting in the Wolf Creek school house to day, Mrs. J. H. Anderson was elected director to fill the vacancy caused by the resignation of J. G. Holebos.

Mr. R. O. Lehmann who is teaching the Otis school is calling on some friends in this neighborhood.

Farmers can commence plowing, in fact some have begun already.

**VANITY**

—There's no work being done on the artesian well at present. Messrs Kellogg and Westfall wish to get the jetting process and have submitted their wish to the county commissioners. In the contract for sinking the well 50 cents per foot was reserved by the county court as a bonus for the fulfillment of the contract as per agreement, this 50 cents Mr. Kellogg asks the court to allow to enable him to get the jetting process. And he on his part agrees to go deeper in the present well or if necessary sink another well to the same depth of the present one free of charge, the court agreeing to pay him for the number of feet below said depth. The commissioners are going to look at the prospect to day and give their answer. It is thought the commissioners will agree to Mr. Kellogg's proposal.

—Dr. Cate is kept pretty busy. The universal good dentistry done by him has gained for the Dr. a lasting reputation.

Parties wishing to purchase a small band of gentle dairy cattle would do well to call and see Austin Goodman for a bargain before going elsewhere.

—There will be a Grand Ball at the Stenger & McGowan hall, on the evening of June 4th. See ad. next issue.
