A LIBERAL OFFER.—The big eight page Sunday Statesman will be sent to any dress from now until July 1st for only 50c, cash to accompany the order. This is a most liberal hard times campaign offer, as the Statesman is the second paper in Oregon, and republican to the core. This is a campaign of education and it is our purpose to assist in the good work. The statesman gives all the news of state and nation and during the campaign its Sunday edition will be a symposium of political news and gossip for the entire state. It is illustrated and consists of eight full pages of select reading matter, including a short story and a wealth of poetry and miscellany. Every voter in Oregon should read a paper from the capital during the campaign and we make this offer to suit the times. Sample copies free. All subscription will be consecutively numbered up in receipt and to each tenth subscriber will be present a year's subscription to the Cosmopolitan Magazine, costing \$1.00. Address all orders to The Statesman Salem, Ore.

A high-class illustrated monthly magazine in the home is no longer a luxury. It is a necessity, and to meet the demands created by this necessity, THE COSMOPOLITAN MAGAZINE, giving yearly, as it does, 1536 pages of reading by the ablest living authors, with over 1200 illustrations by clever artists has stepped into the breach, with a reduction in its price that has startled the literary world.

The HERALD, fully alive to the needs of its patrons, has made special arrangements with the superb monthly, whereby it will receive orders for yearly subscriptions to both publications combined for the sum of \$3.00.

The price of the great illustrated monthlies in the past has been \$3.00 and \$4.00 a year, and they were to be found only in the more pretentious homes. Our offer furnishes a help to all families, no matter how modest their means, to keep in touch with the greatest minds of the world, as The Cosmopolitan has today the strongest regular staff of any existing periodical.
